THE KEY

For many years we have prepared ourselves . . .

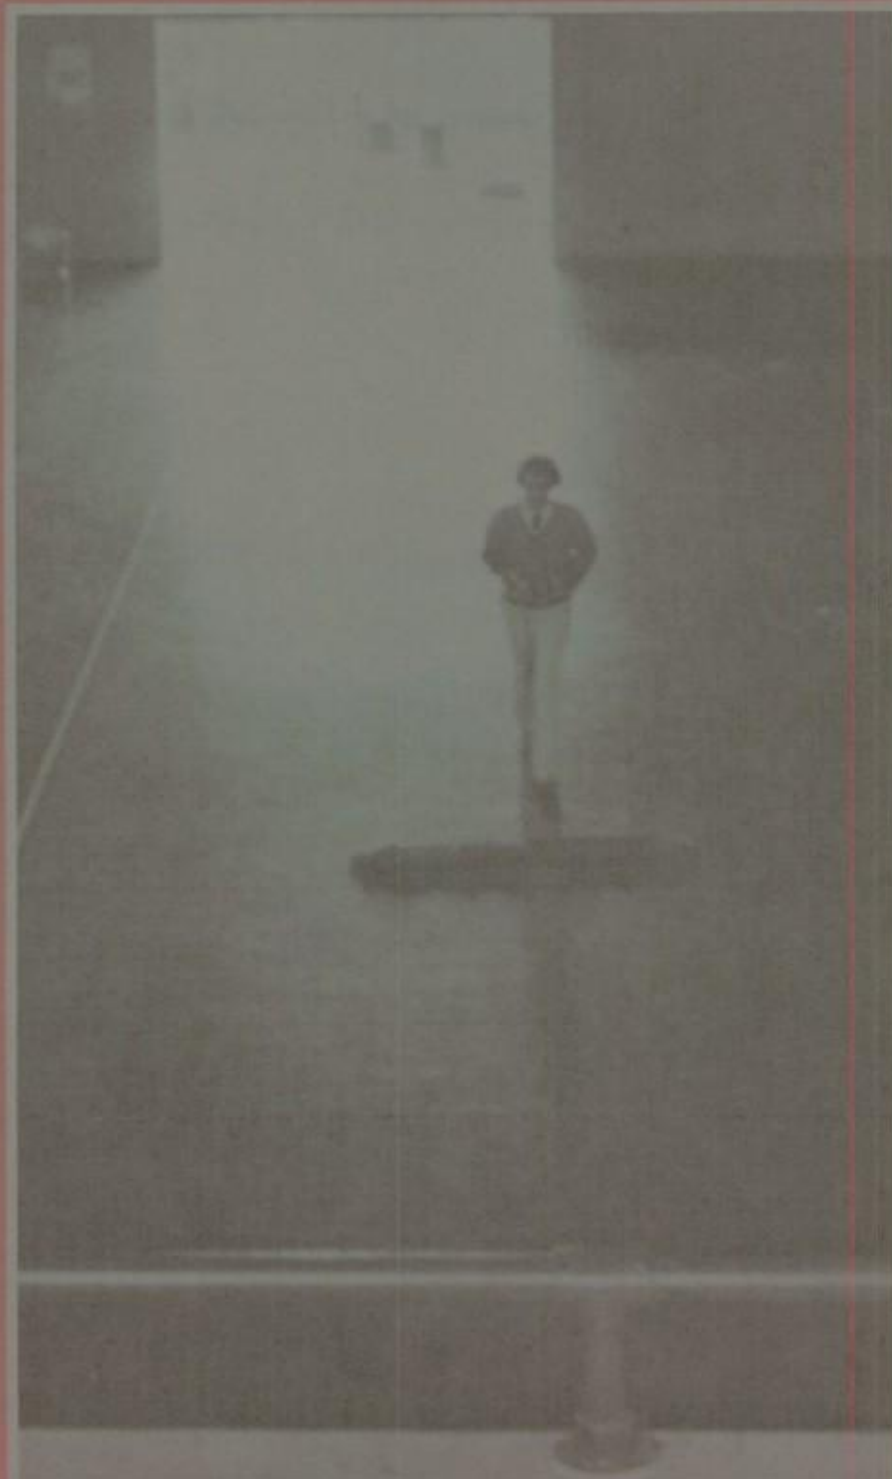

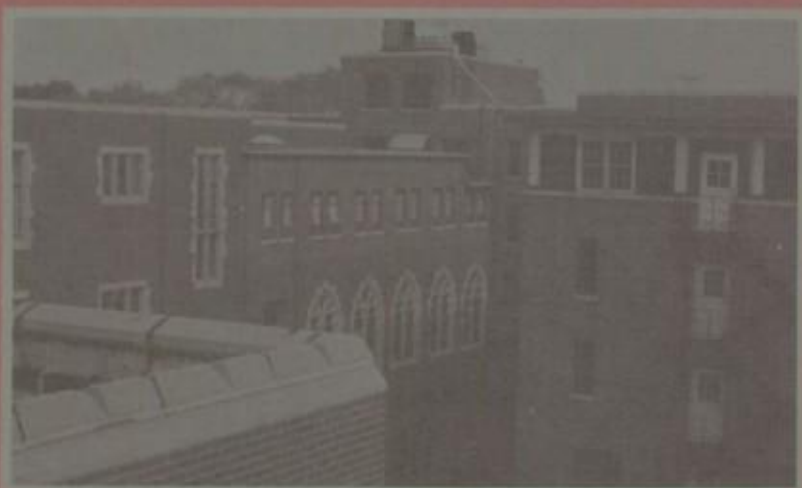

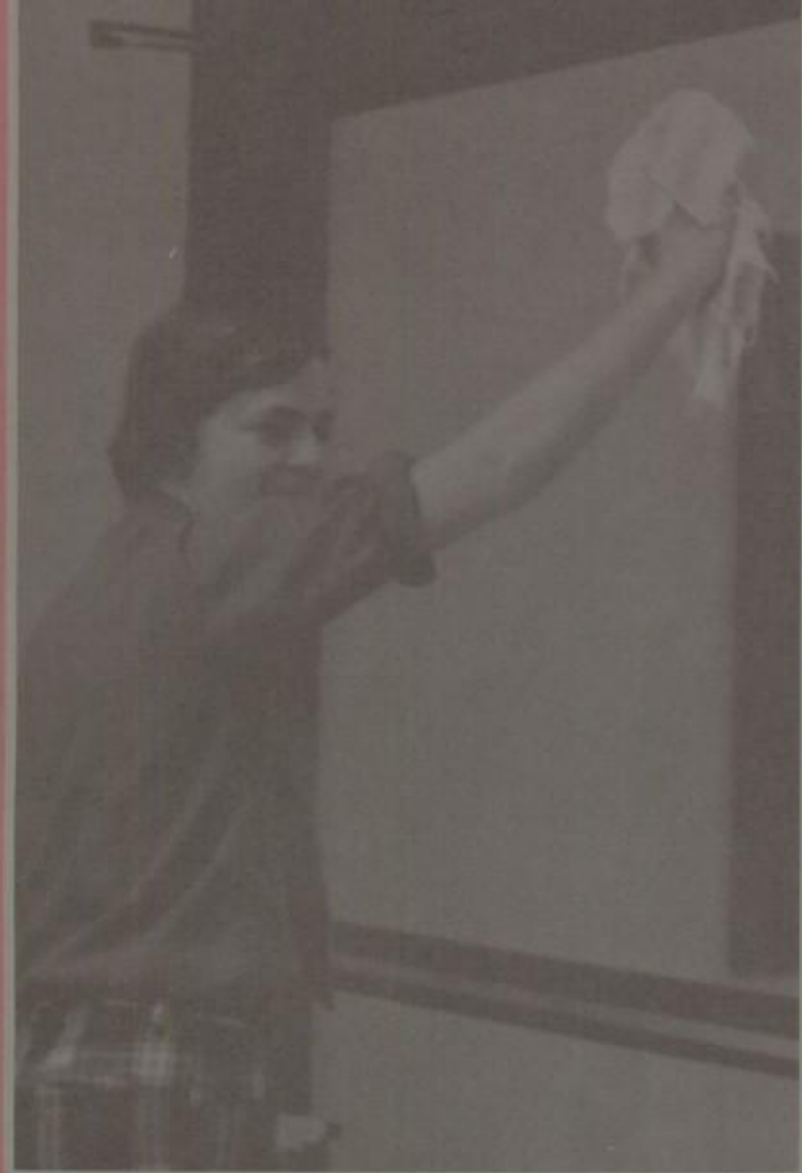

through academic achievement and social activities.

Every day we are involved —

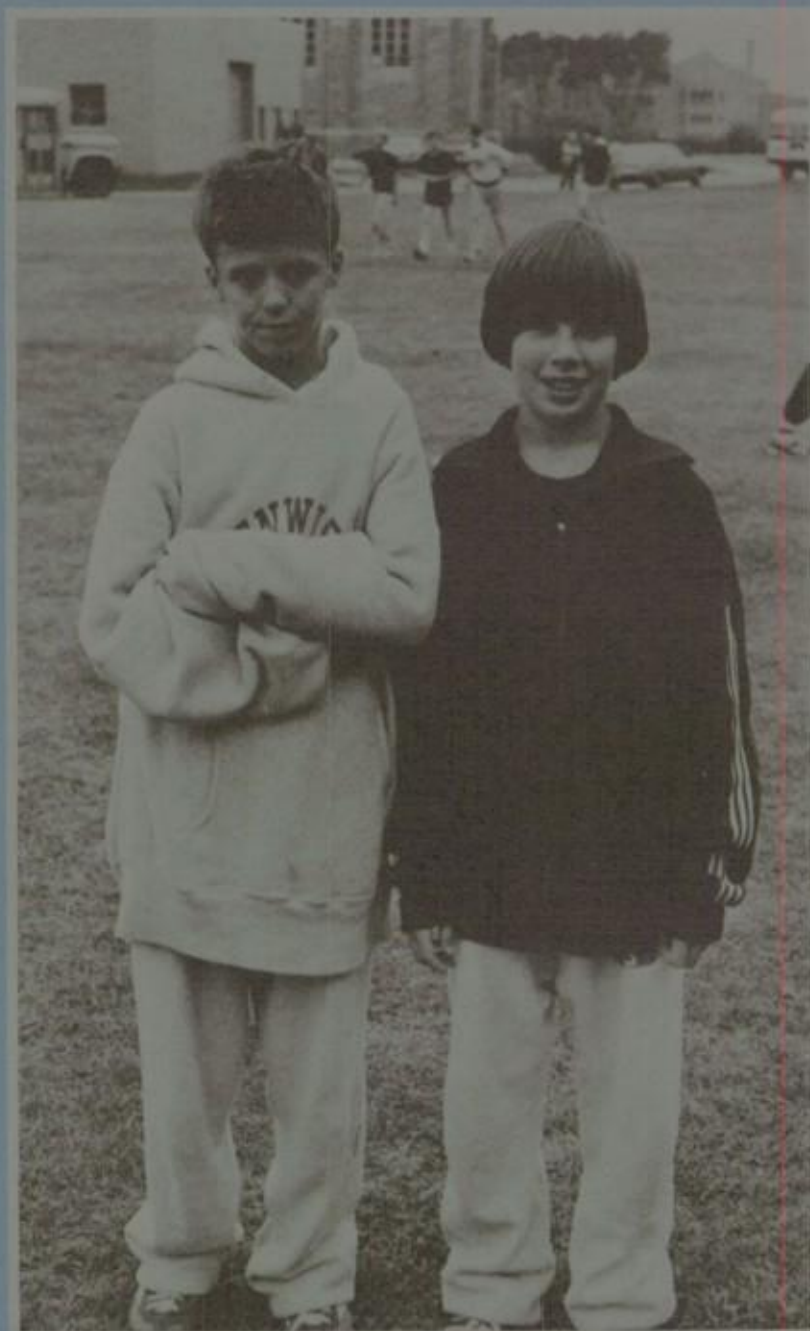

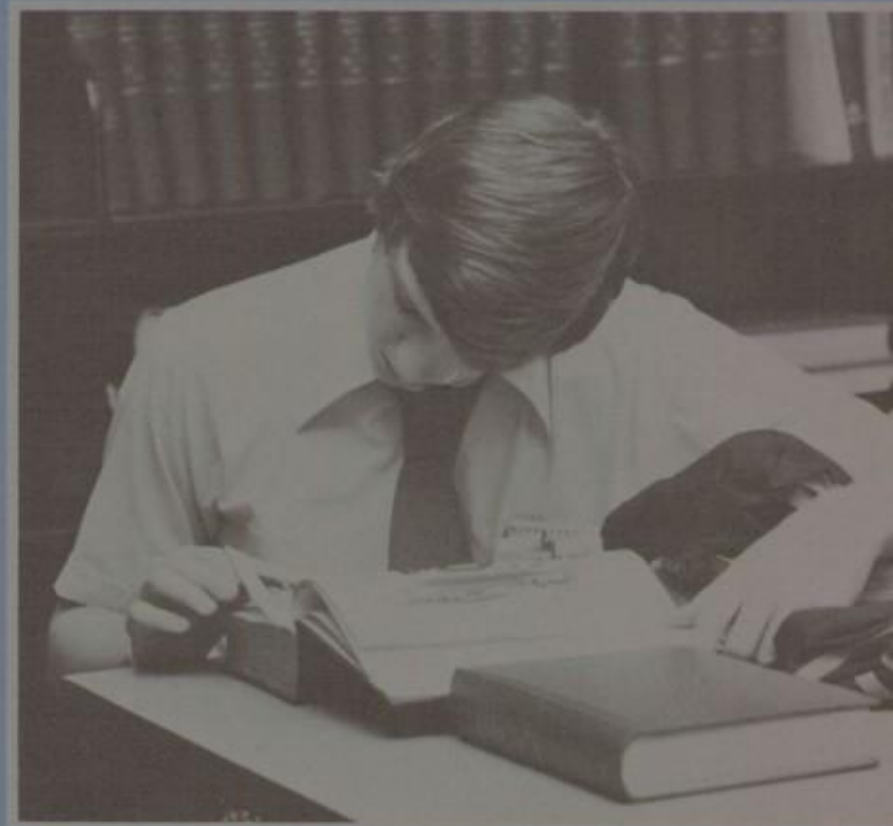

with the school and with each other.

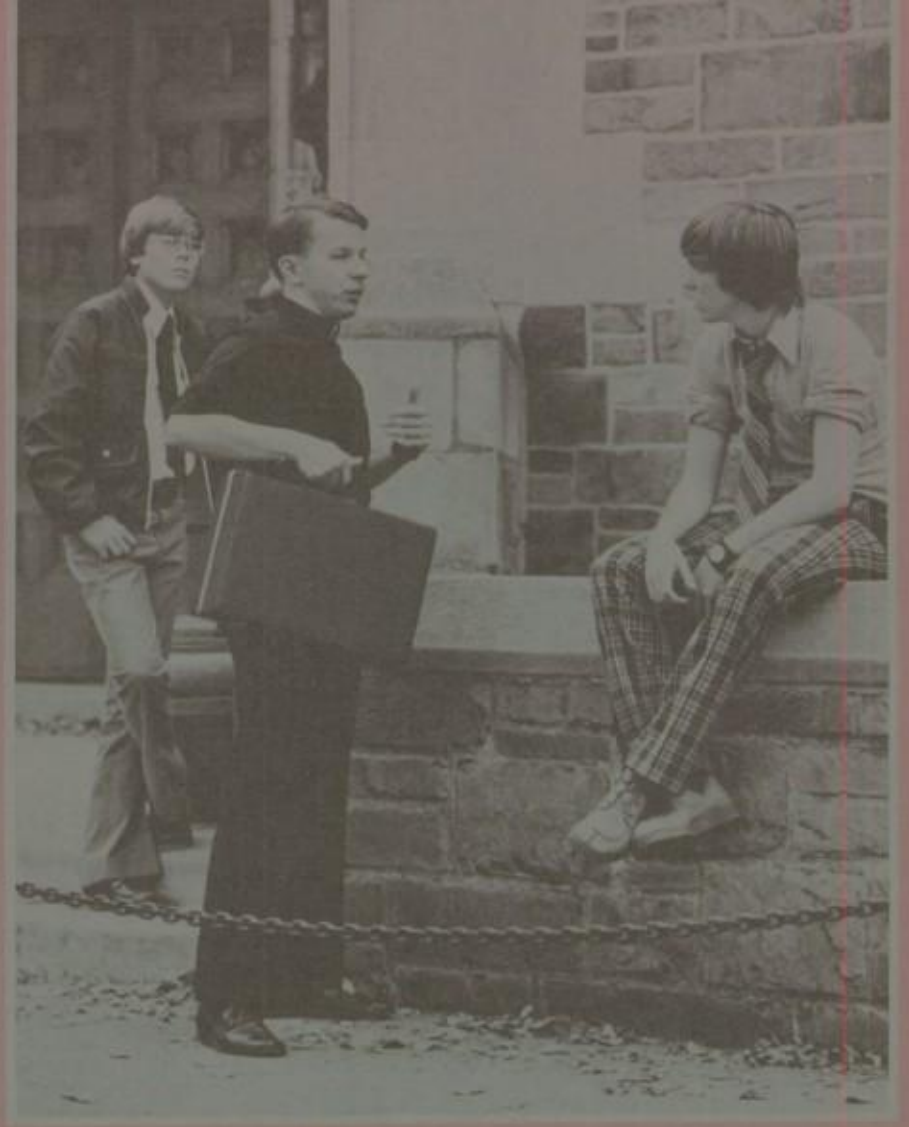

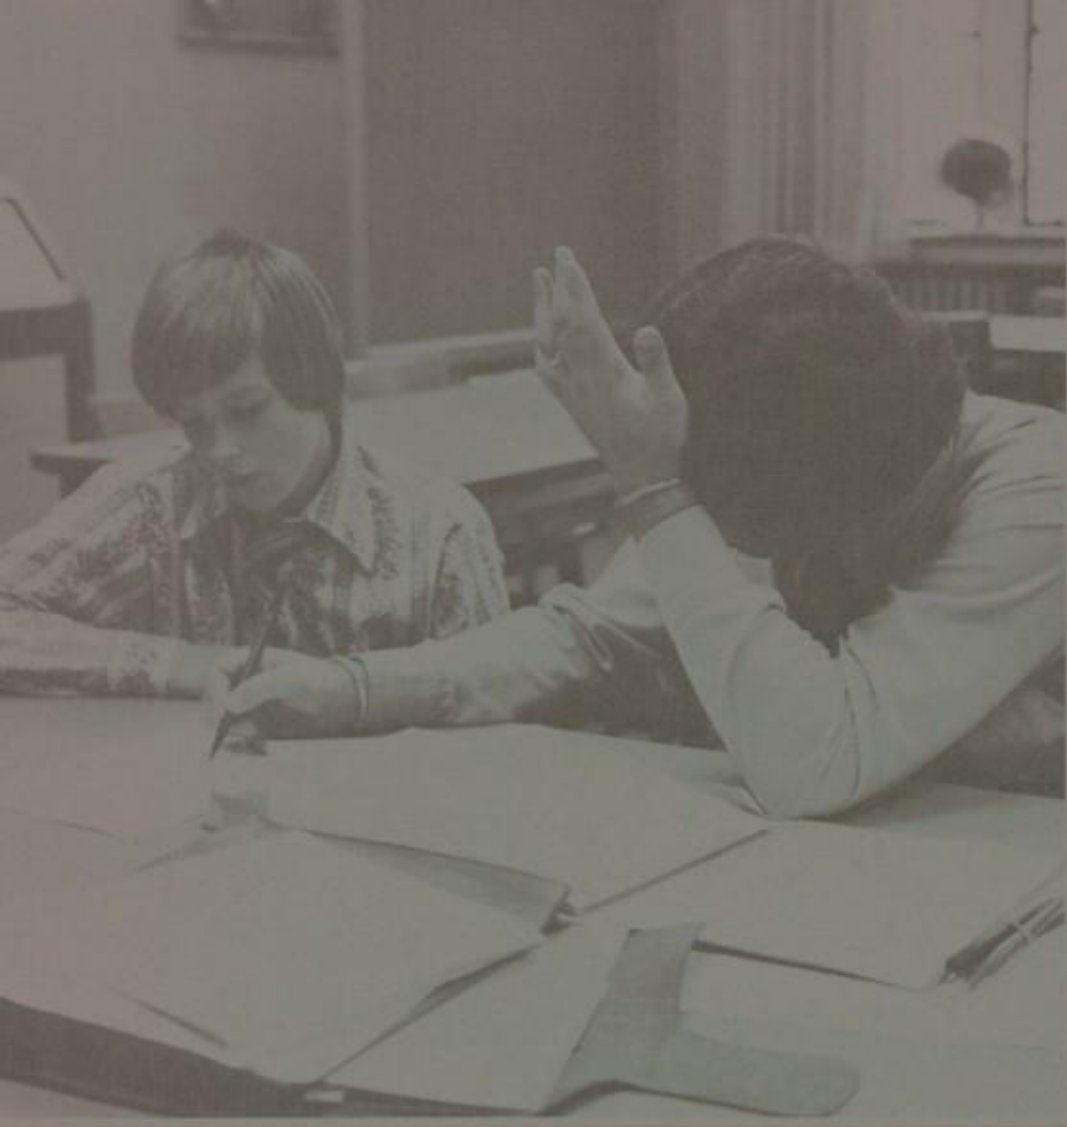

The ideals and strengths we exhibit now

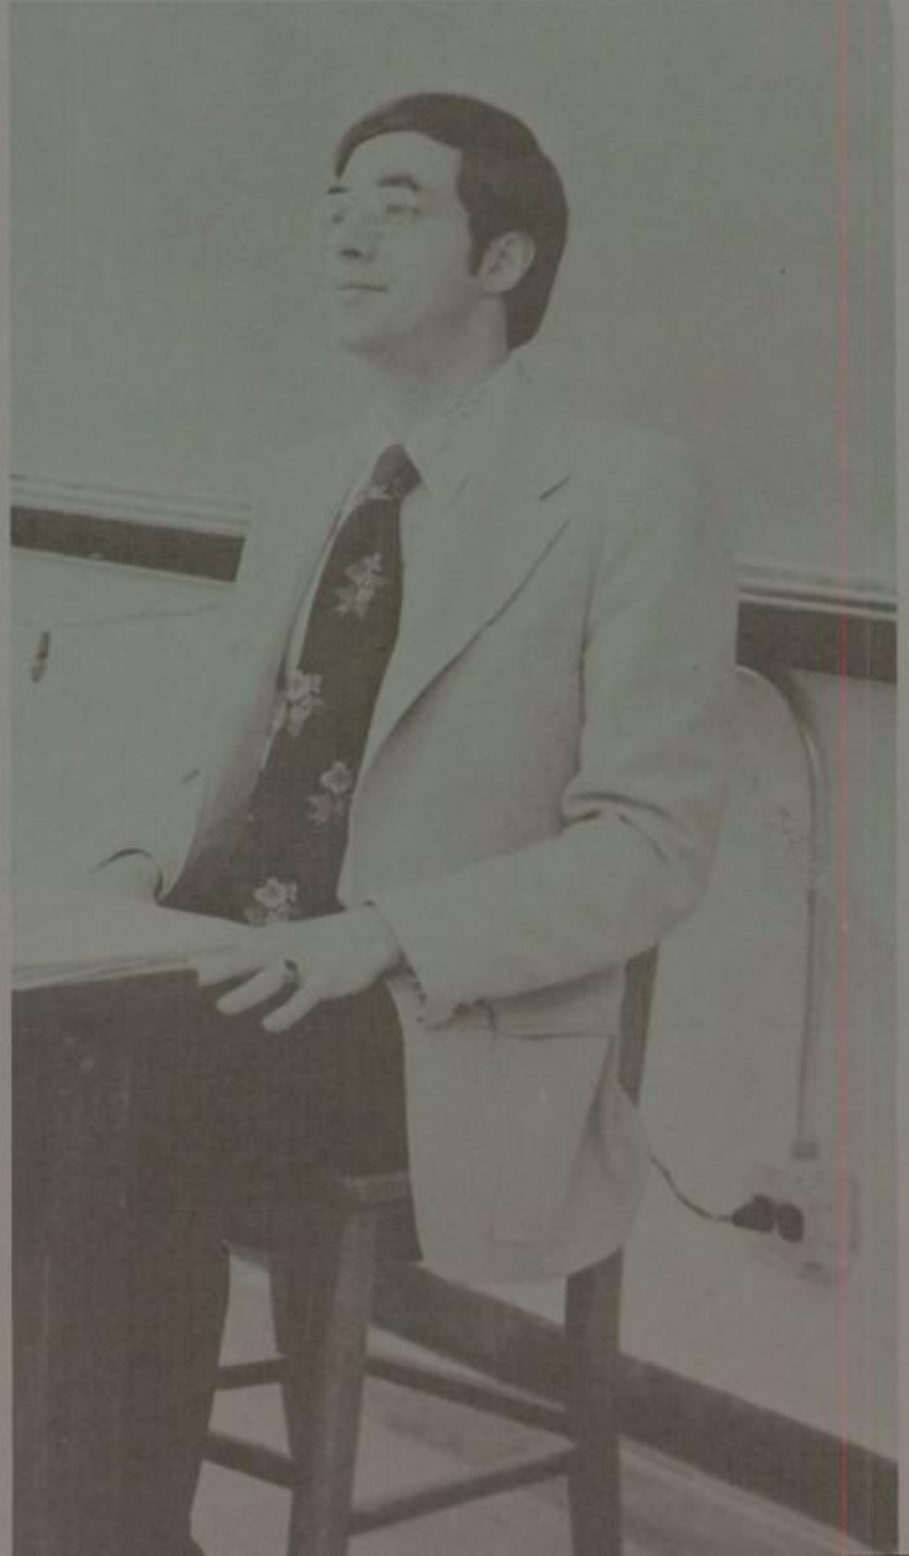

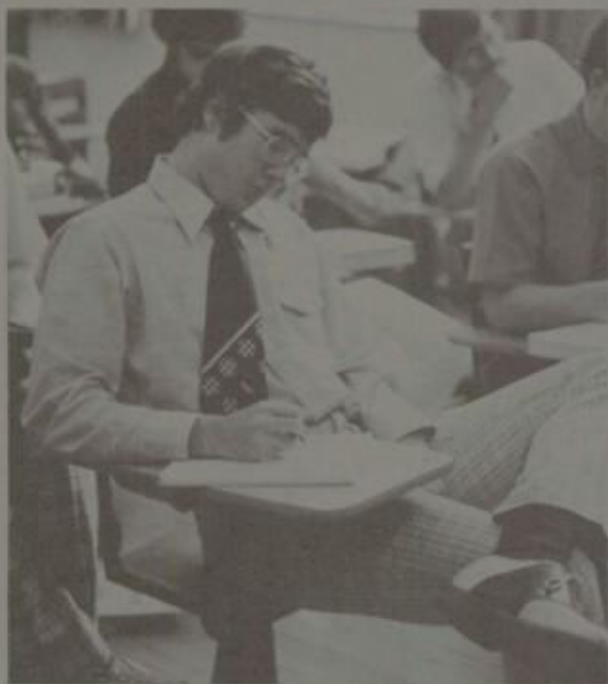

will be refined to help shape tomorrow.

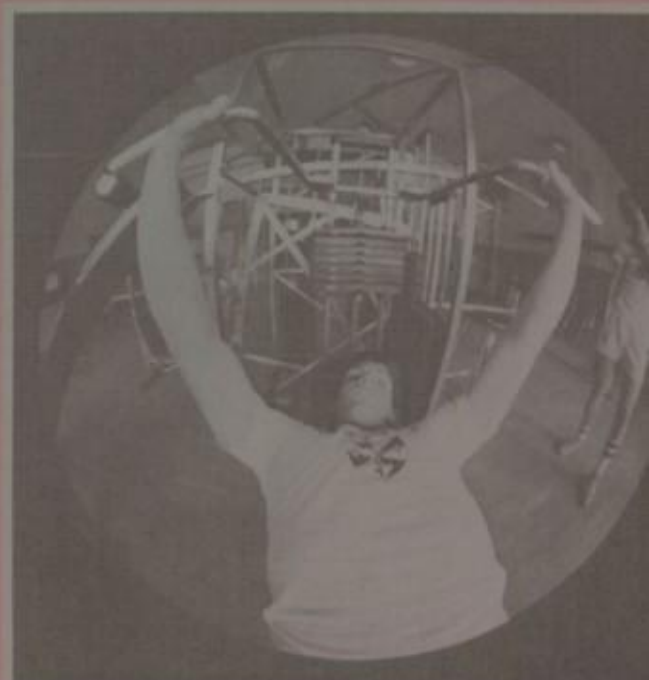

The time we have spent at Fenwick has taught us ...

to achieve intellectually, spiritually, and physically.

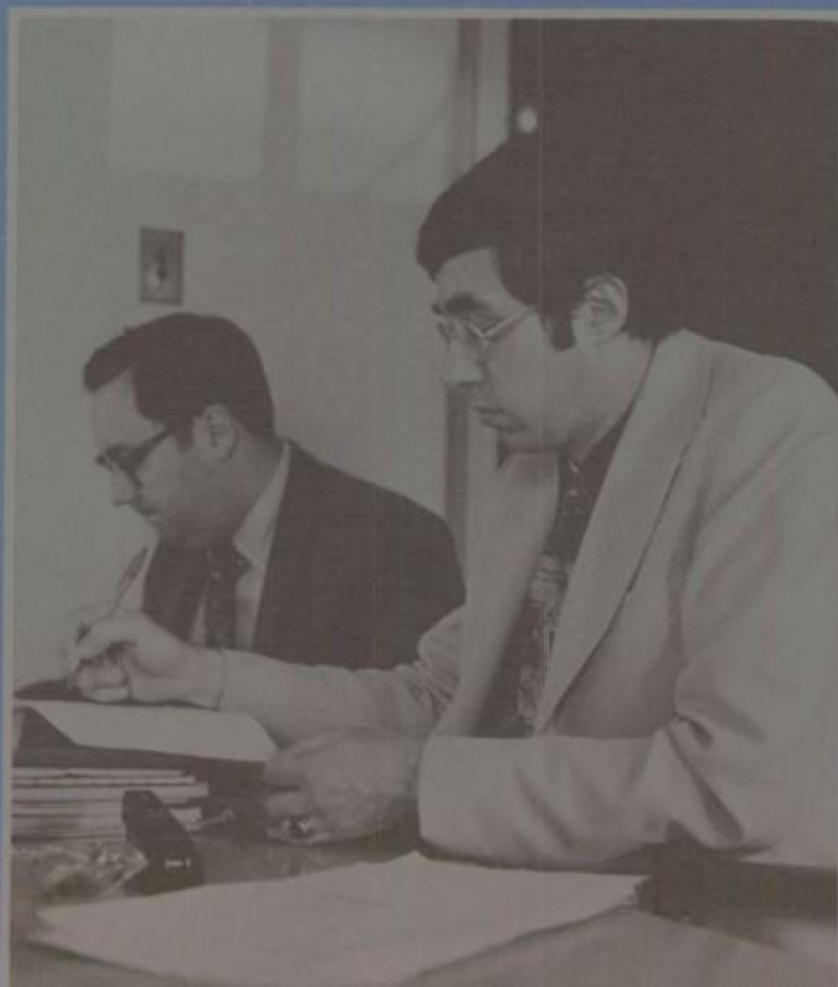

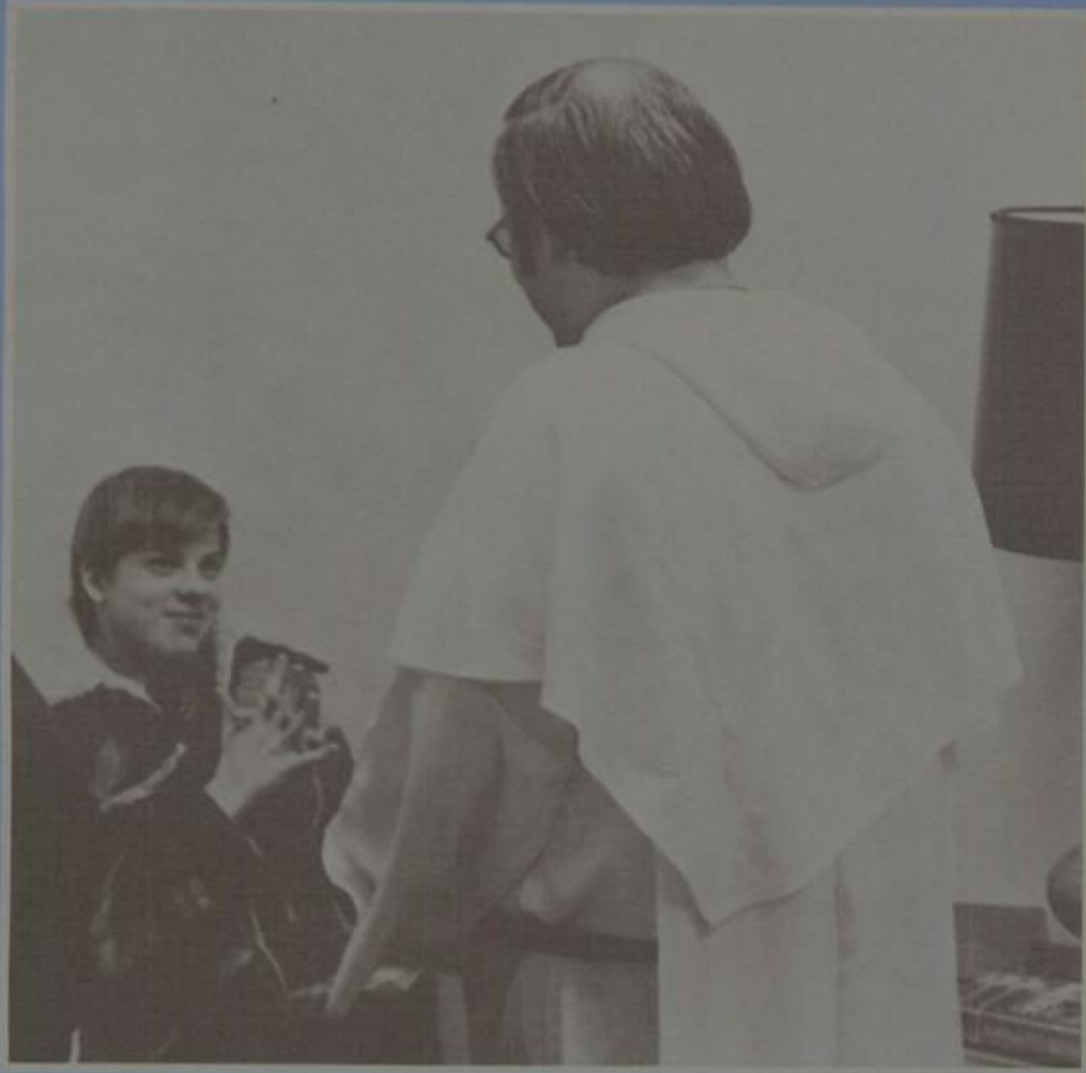

Take the time to recall the things we have done

and the friends we have made.

The door is open —

To the Future.

Fenwick Hosts National Players

Reverend Gilbert V. Hartke, O.P., Chairman of the Speech and Drama Department of the Catholic University of America organized his graduate students into a classical repertory company now called the National Players. From an original three month tour, "Players" developed into a year-round operation with three months of preparation followed by nine months on the road. The National Players have been successful off-Broadway, on television, at the White House, and even overseas, entertaining thousands during twenty-one years of existence.

PICTURED BELOW ARE: Alan Share, Company Manager; Debra Cerruti, company member; Rev. Gilbert V. Hartke, O.P., Founder of "Players"; Ms. Margaret Lynn, Director of the U.S. Army Entertainment Program; and President Ford.

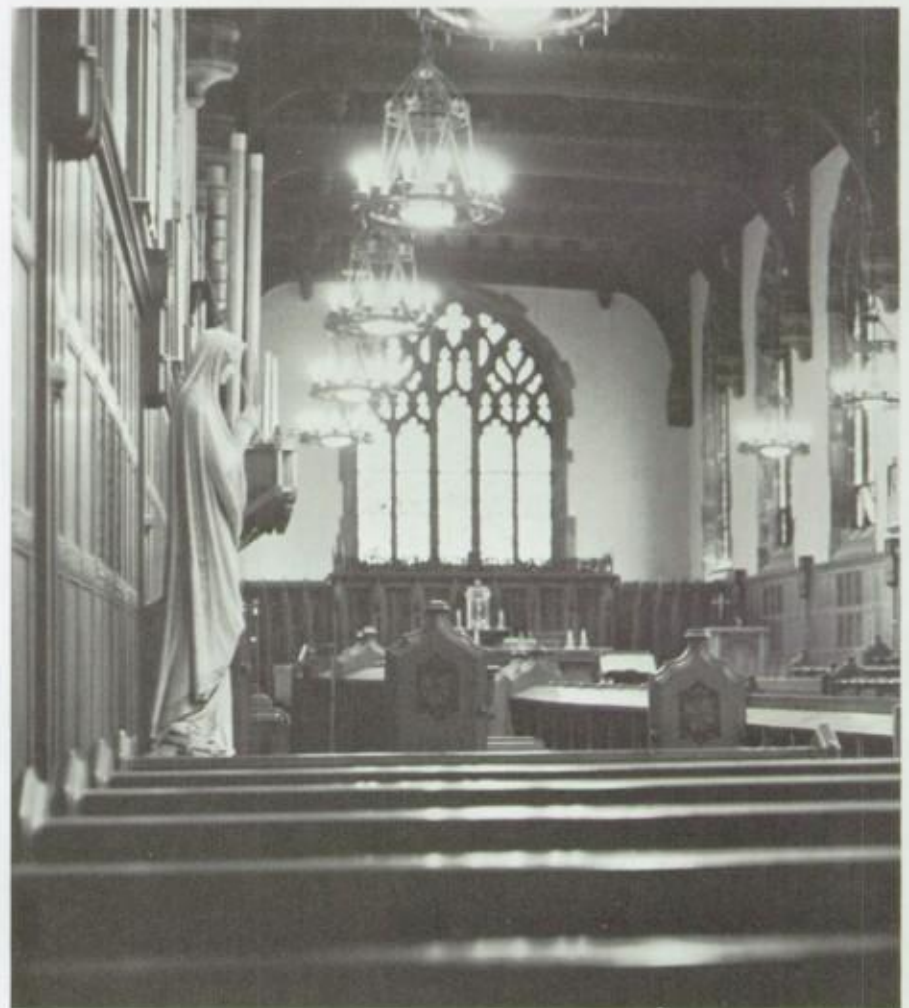

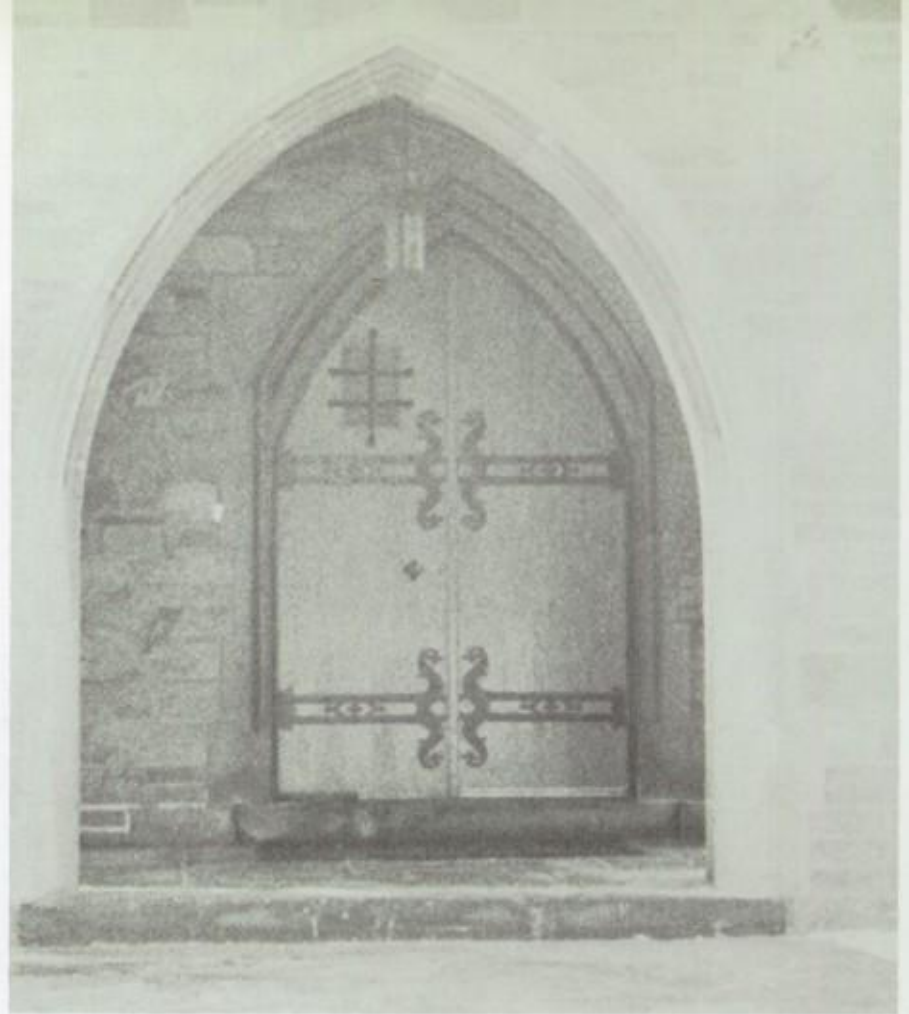

The National Players were brought to Fenwick as our High School's contribution to the national bicentennial celebration. Mr. George Wendt headed a hard-working committee of faculty members, Mother's Club representatives, and students which prepared the way for the Players' Visit.

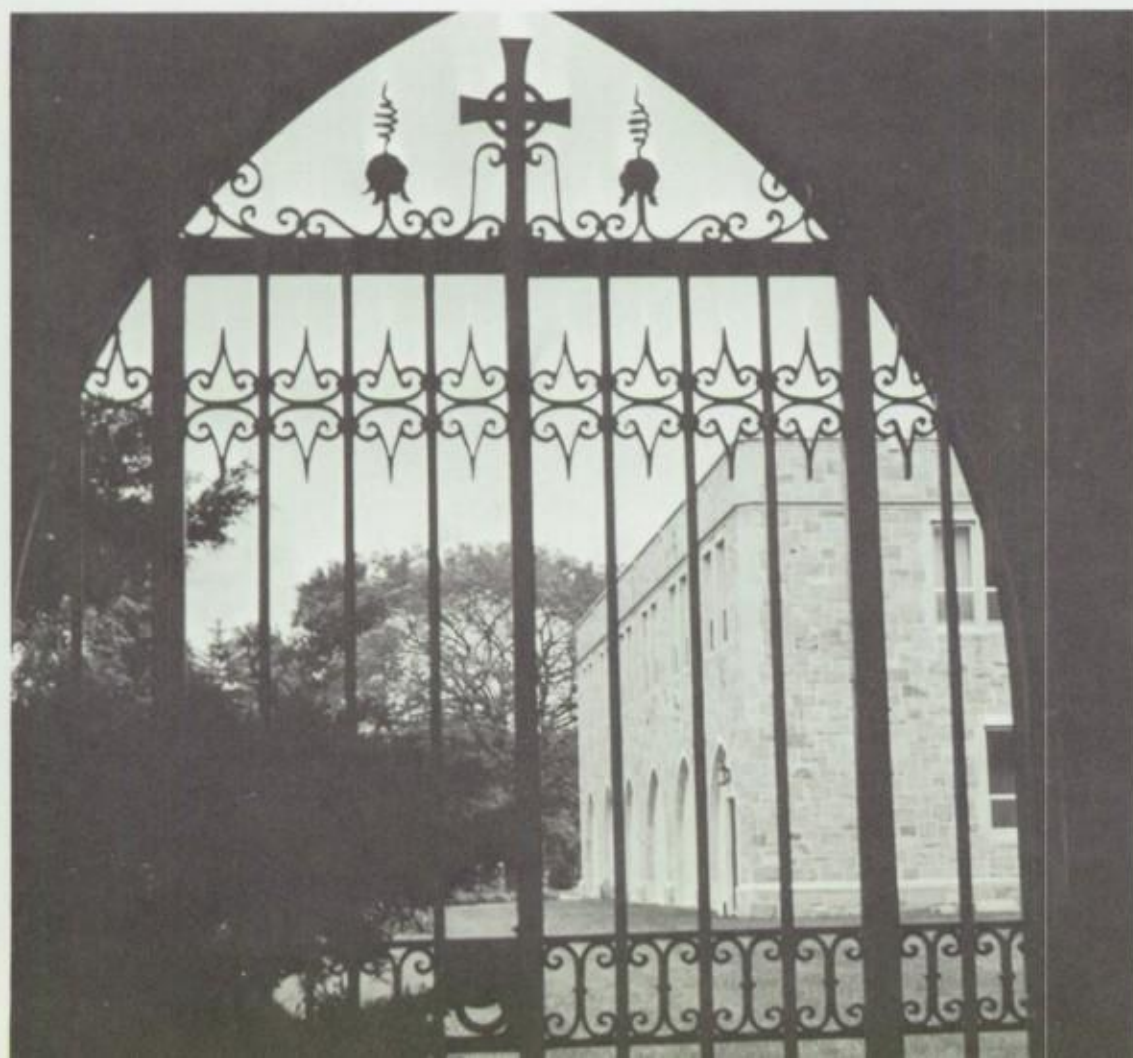

The three plays performed for students and guests during the week of October 6 through 9 were Shakespeare's TWELFTH NIGHT, Eugene O'Neil's AH, WILDERNESS!, and a special bicentennial production, CAV-ALCADE OF AMERICAN THE-ATRE. In addition to their performances, the members of the touring troupe visited Fenwick classrooms during the school day where students had the opportunity to discuss all aspects of the theatre with the actors. The National Players' visit to Fenwick provided both a rich theatrical experience and a unique educational opportunity for over 3,000 persons.

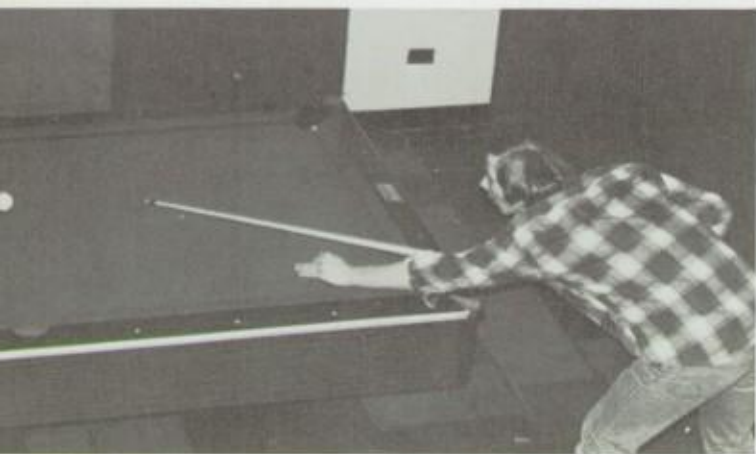

Senior Retreat

One of the major events of Senior year is the Retreat held at the Dominican Priory in River Forest. Groups of about twenty-five students attended the monthly sessions which began with Mass on Friday afternoon. After an evening meditation, students ran informal discussion periods which promoted openness and honesty among the participants. Free time was scheduled following evening prayer. Contrary to popular opinion, this was not the most important part of the retreat; however, a good time was provided for all.

On Saturday emphasis was put on personal prayer. Afternoons were left open. At Saturday Mass the homily consisted of a group discussion which allowed students a chance to talk about their beliefs and doubts. After Sunday Mass a tour of the priory was held; this in itself made the weekend worthwhile. Much effort went into the preparation of each retreat; a special thanks goes to Father Ostdiek, Father Witchousky and Sister Meegan for their excellent organization of the weekends.

Spirit Week

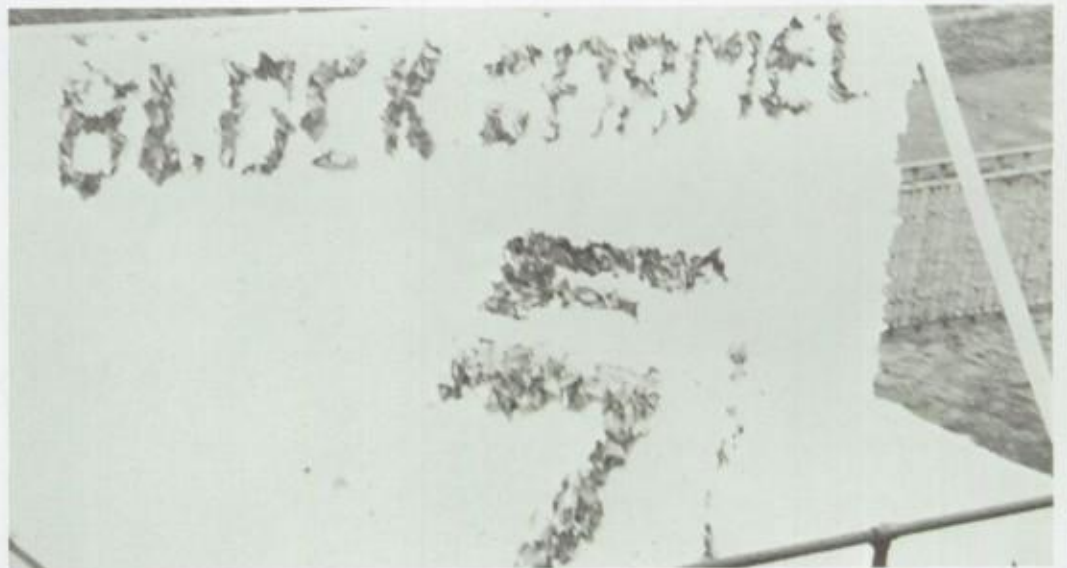

This year's Fenwick Homecoming, organized by the Student Council, was an exciting experience for all involved. As in the past, Friday of Spirit Week was Silence Day, which reached its climax when Student Council President George Meyer and Vice-President John Ouper shot off the guns, which released the students' pent up emotions at the Homecoming Pep Rally.

The traditional Homecoming Dance on Friday evening featured the band, FAWN. Saturday's float building brought success for members of the Senior Class, who won first place in the competition. The German Club float, a new entry this year, won second place.

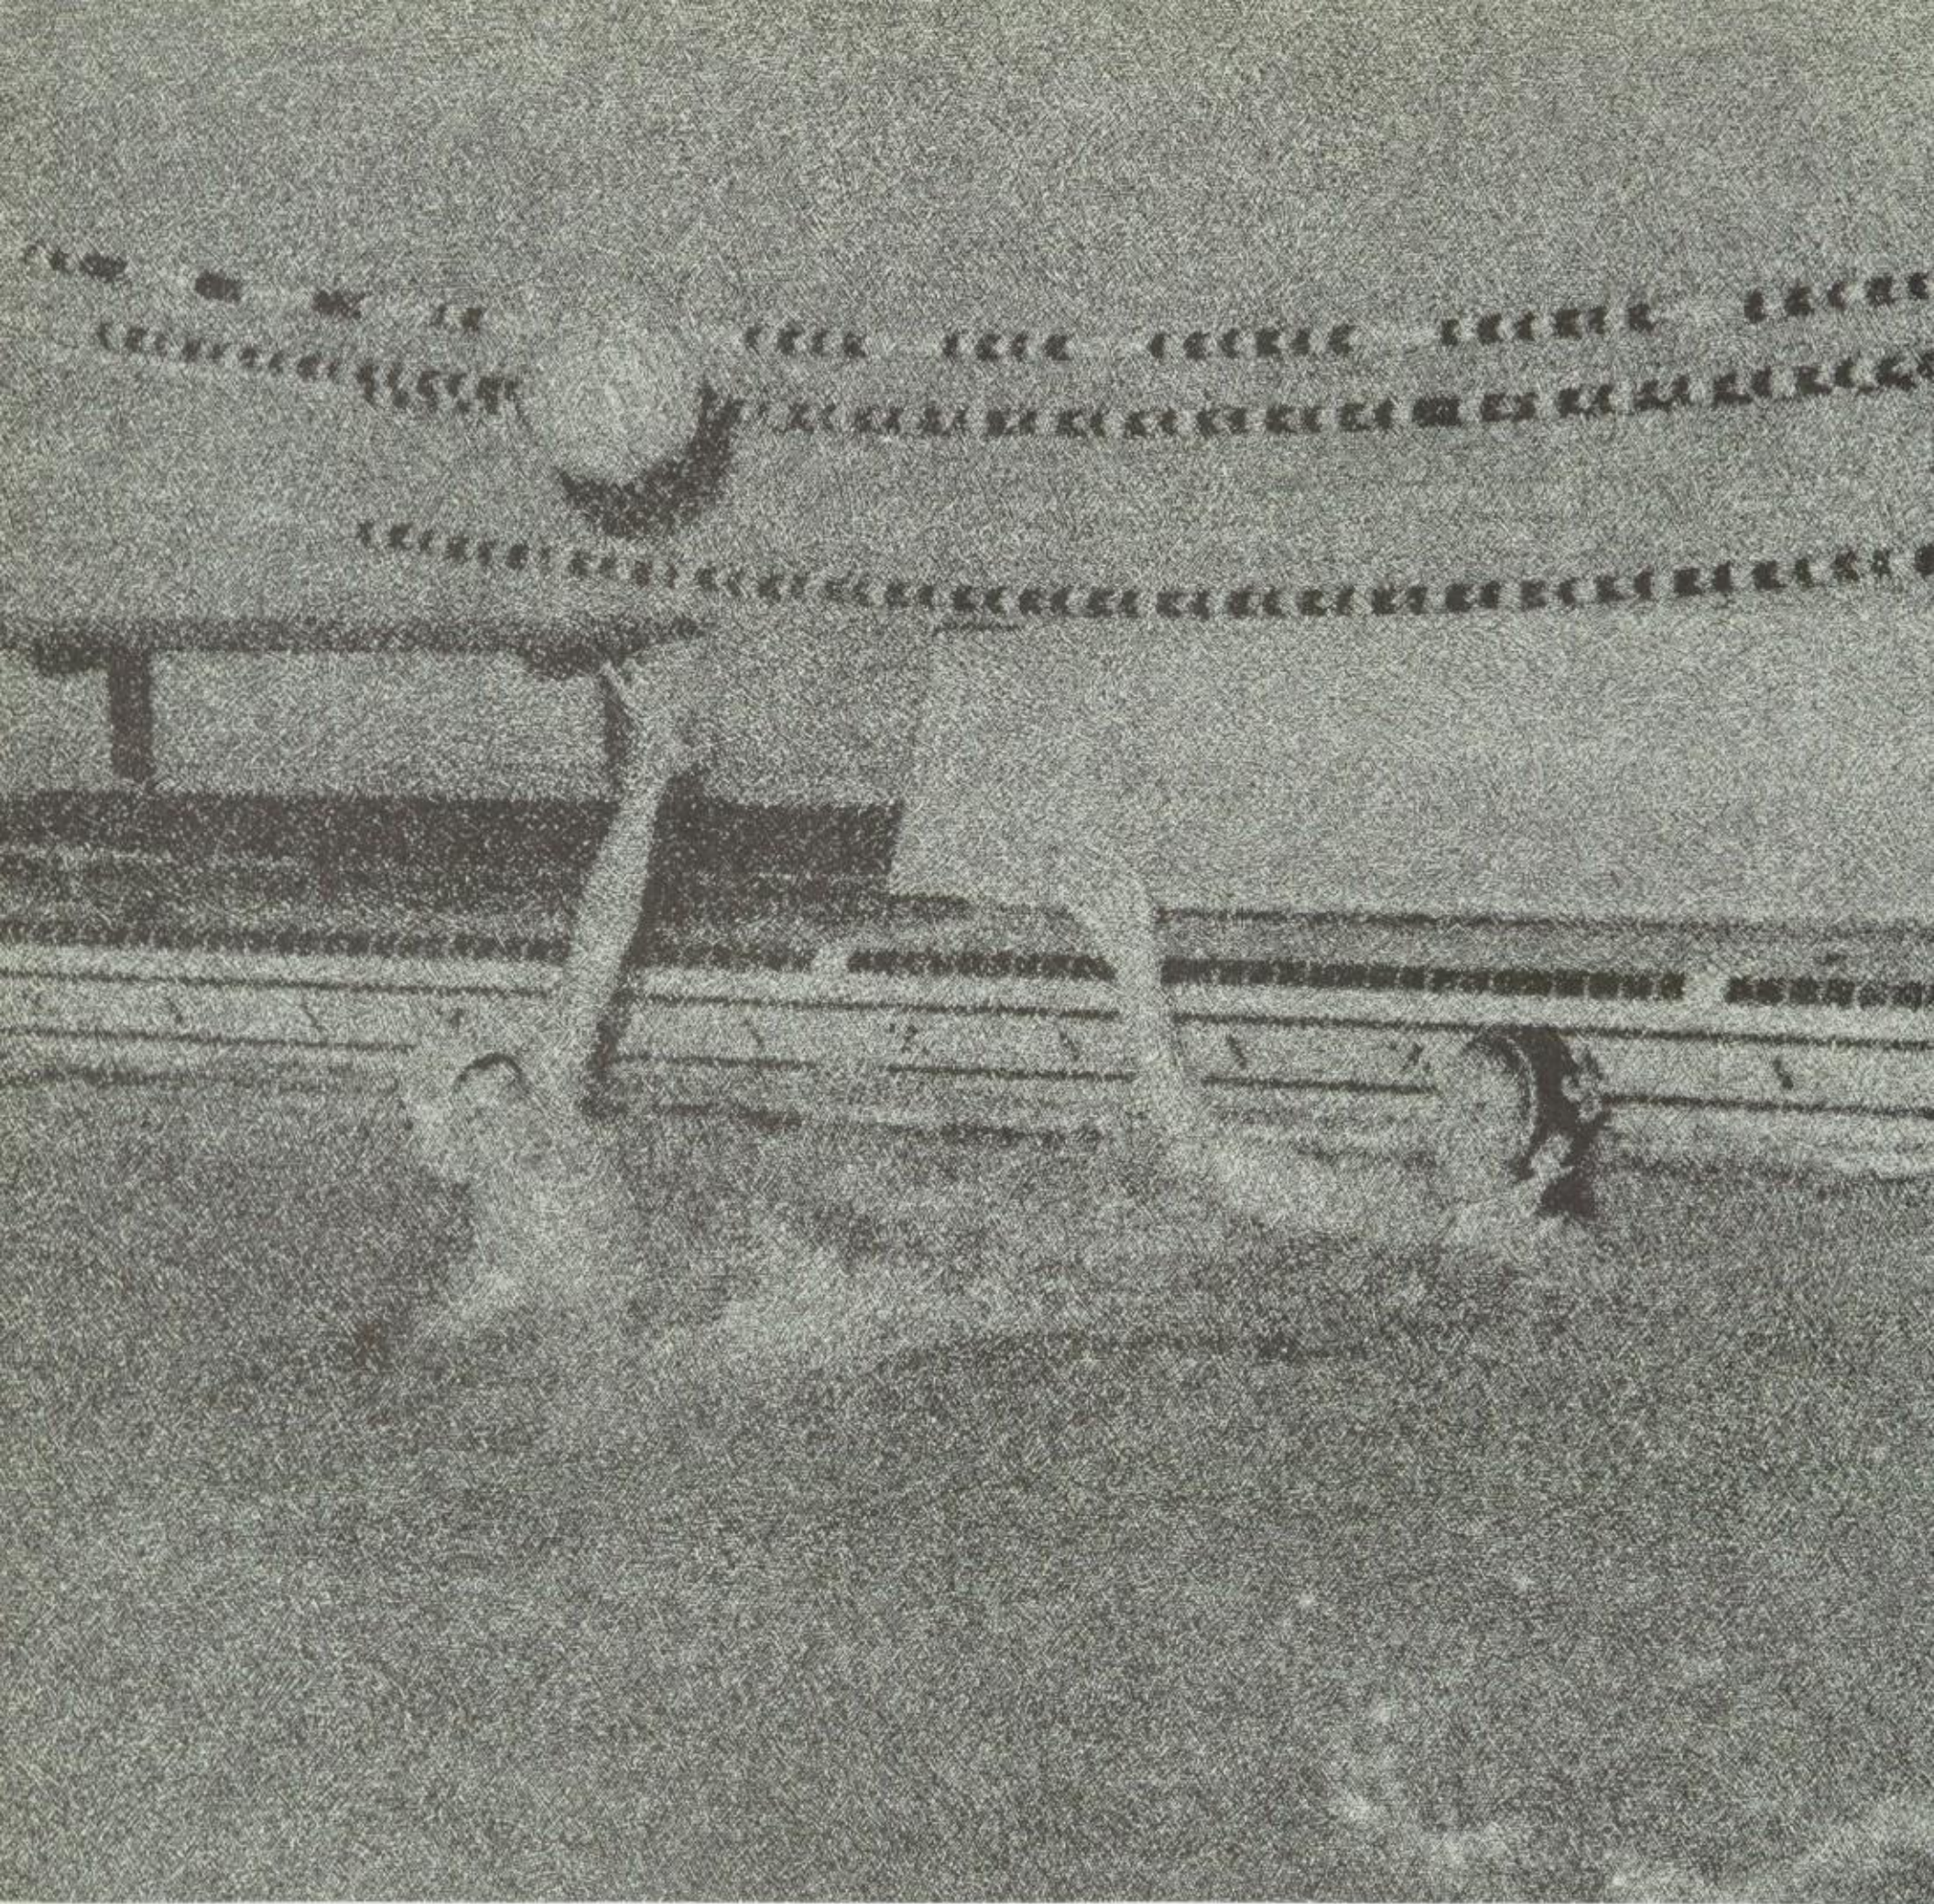

The Friars played well on the gridiron in an exciting game, but unfortunately, the Mount Carmel Caravan managed to squeeze by the Friars with a final score of 8 to 6.

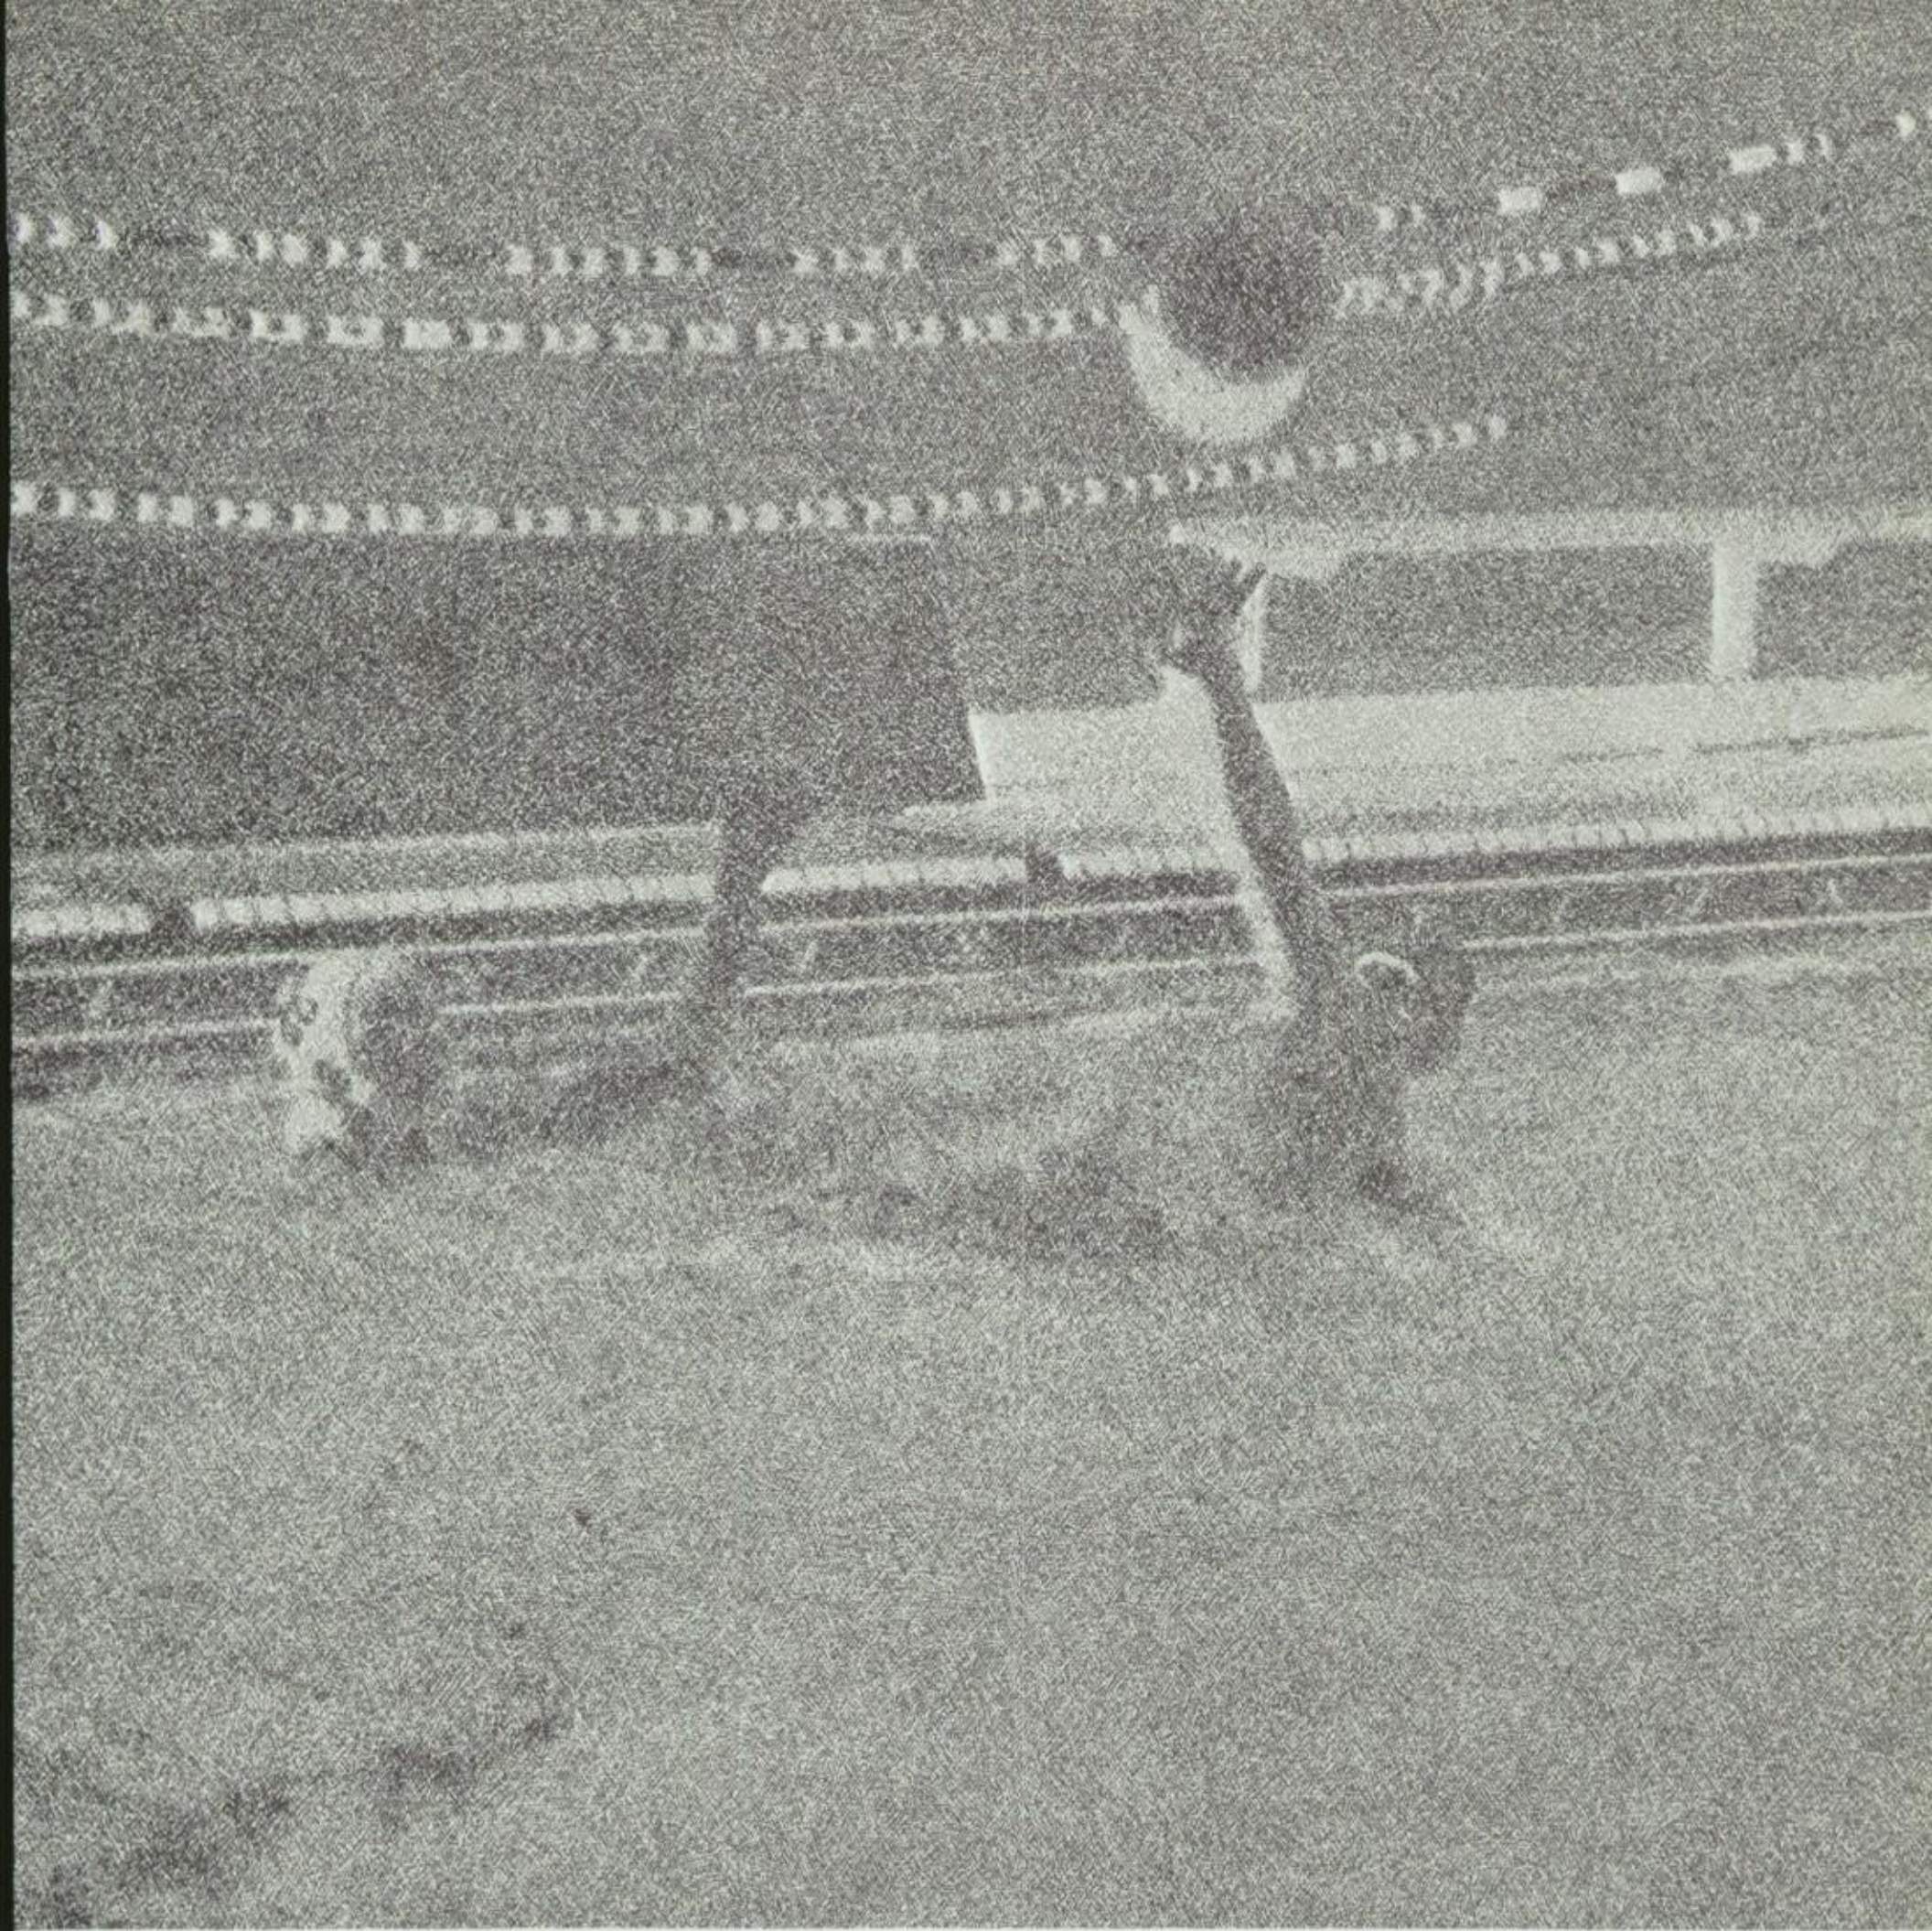

SPORTS

Football

The 1975 Fenwick Football Team faced the season with a new head football coach and a refreshed outlook for Friar football.

George Badke, who came to Fenwick highly recommended and with a very impressive coaching record, displayed his football team at Hanson Stadium opening the new grid season against Weber. Armed with a new coach and a new offense, the Friars hoped to start the season on a winning note. This was not to be, as big plays and defensive mistakes handed Fenwick a bitter 14-8 defeat.

Again on the road, the Friars traveled to Gately Stadium to face the Chicago area's third-ranked team, Brother Rice. After holding the South-side powerhouse scoreless for more than three quarters, the Fenwick defense folded and the Crusaders exploded for 29 points in less than eight minutes of play.

A week later, the team suffered a mental collapse at Notre Dame High School in Niles. After a long scoring drive early in the game, Fenwick's ranks broke down allowing Notre Dame to upset the Friars 9-6.

Fenwick Football traveled to St. Laurence, attempting to upset the three time city champions. Excellent wishbone execution was not enough however, and Fenwick suffered its fourth loss of the season.

A lack of depth, which was a sore spot for Coach Badke all season, prevented the Friars from winning their first home football game versus DeLaSalle.

A Fenwick fumble on their own one yard line enabled St. Rita to mount a 20-6 win over the weary Friars at Oak Park Stadium. A late 80 yard drive by the league-leading Mustangs with four minutes remaining made the score of the hard fought game deceptively large.

Mr. Carmel relied on Fenwick mistakes to keep their play-off hopes intact. The result was a narrow 8-6 victory, dampening the Friar Homecoming festivities.

Loyola Academy's Ramblers defeated Fenwick on the Loyola turf for the eighth loss of the season. The Chicago Catholic League Champions simply overpowered the smaller Friars for the convincing win.

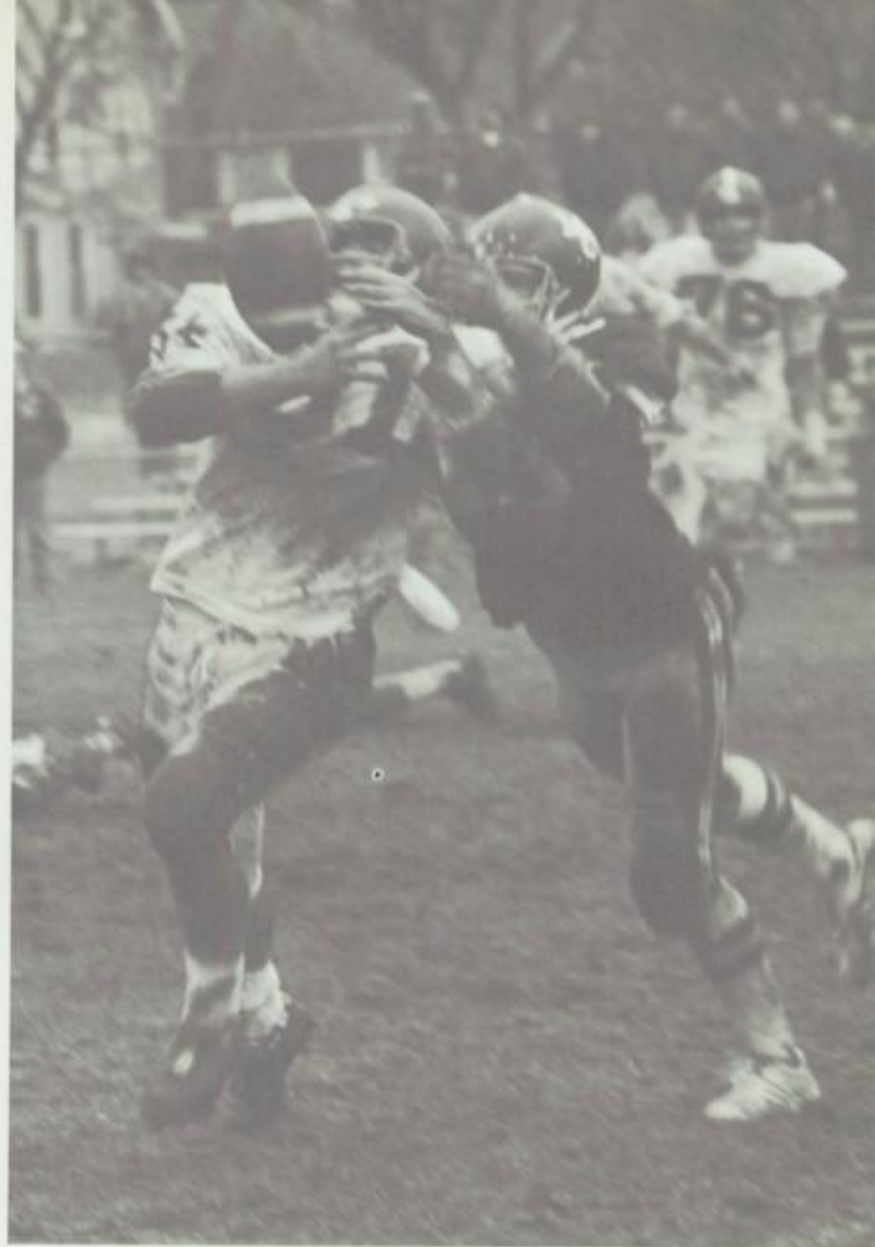

A last quarter drive that proved to be successful enabled Catholic League rival Gordon Tech to edge out a 14-6 triumph over winless Fenwick in Oak Park Stadium. Alert, aggressive play sparked the Friars through the first three periods, and the Fenwick rooters in the stands were ready for a victory celebration; but the Rams staged a last-ditch effort in the closing minutes of the ball game.

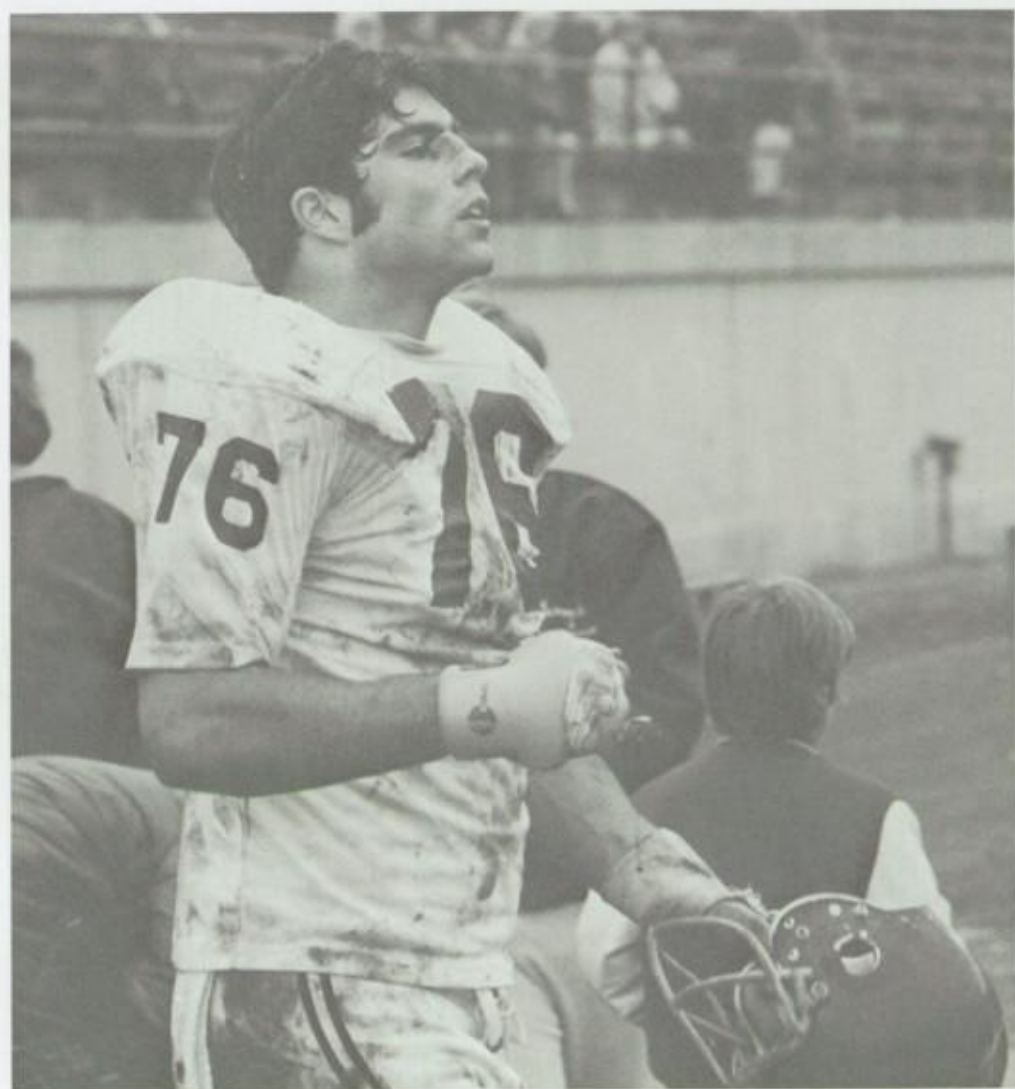

Tri-captains for the 1975 Friar Football Team were Kevin Prendergast, Tony Garippo, and Mark Wolfe, who was named to the All Chicago Catholic League All-Star Team. John Powers was named to the All-Catholic second team.

In every game, Fenwick's Fighting Friars gave 100%, but all Friar opponents proved they had more size, and thus at the end of each game, more points. A bright spot for the future of Fenwick football is Coach Borsch's Freshman team, which finished the season 5-1.

Basketball

Second In Catholic League

In past season, Fenwick has been one of the smallest teams in the league. This year, the Friars boasted a front line of 6'5" Neil Bresnahan, 6'4" Mark Wolfe, and 6'4" Ed Trauth; thus, the outlook for the season was bright. Though the Friars lost to the highly-rated Gordon Tech team in the closing minutes of their second Catholic League battle, they rebounded to win their next six contests.

On January 23, Fenwick, minus Bresnahan, downed a lethargic Brother Rice team 50-45 as balanced scoring and good defense paved the way to victory, setting up the Weber showdown.

In the victory over Weber, the Friars opened up an early 6-0 first quarter lead, capitalizing on the frigid shooting of the Red Horde. Throughout the entire contest, Fenwick managed to maintain the upper hand.

It appeared at the start of the game, just as it had a week earlier against Brother Rice, that Fenwick would be in trouble against a taller foe with main gun Bresnahan sidelined with the flu. The Friars met the challenge in both contests, however, by playing good team ball and outrebounding the bigger opposition in winning both games against these Catholic League rivals.

The climax of the season was the Friars' sixth consecutive win and ninth victory in ten outings. A healthy Neil Bresnahan, scoring 22 points and 22 rebounds, took control for Fenwick against rival Loyola, trouncing the Ramblers 60-48.

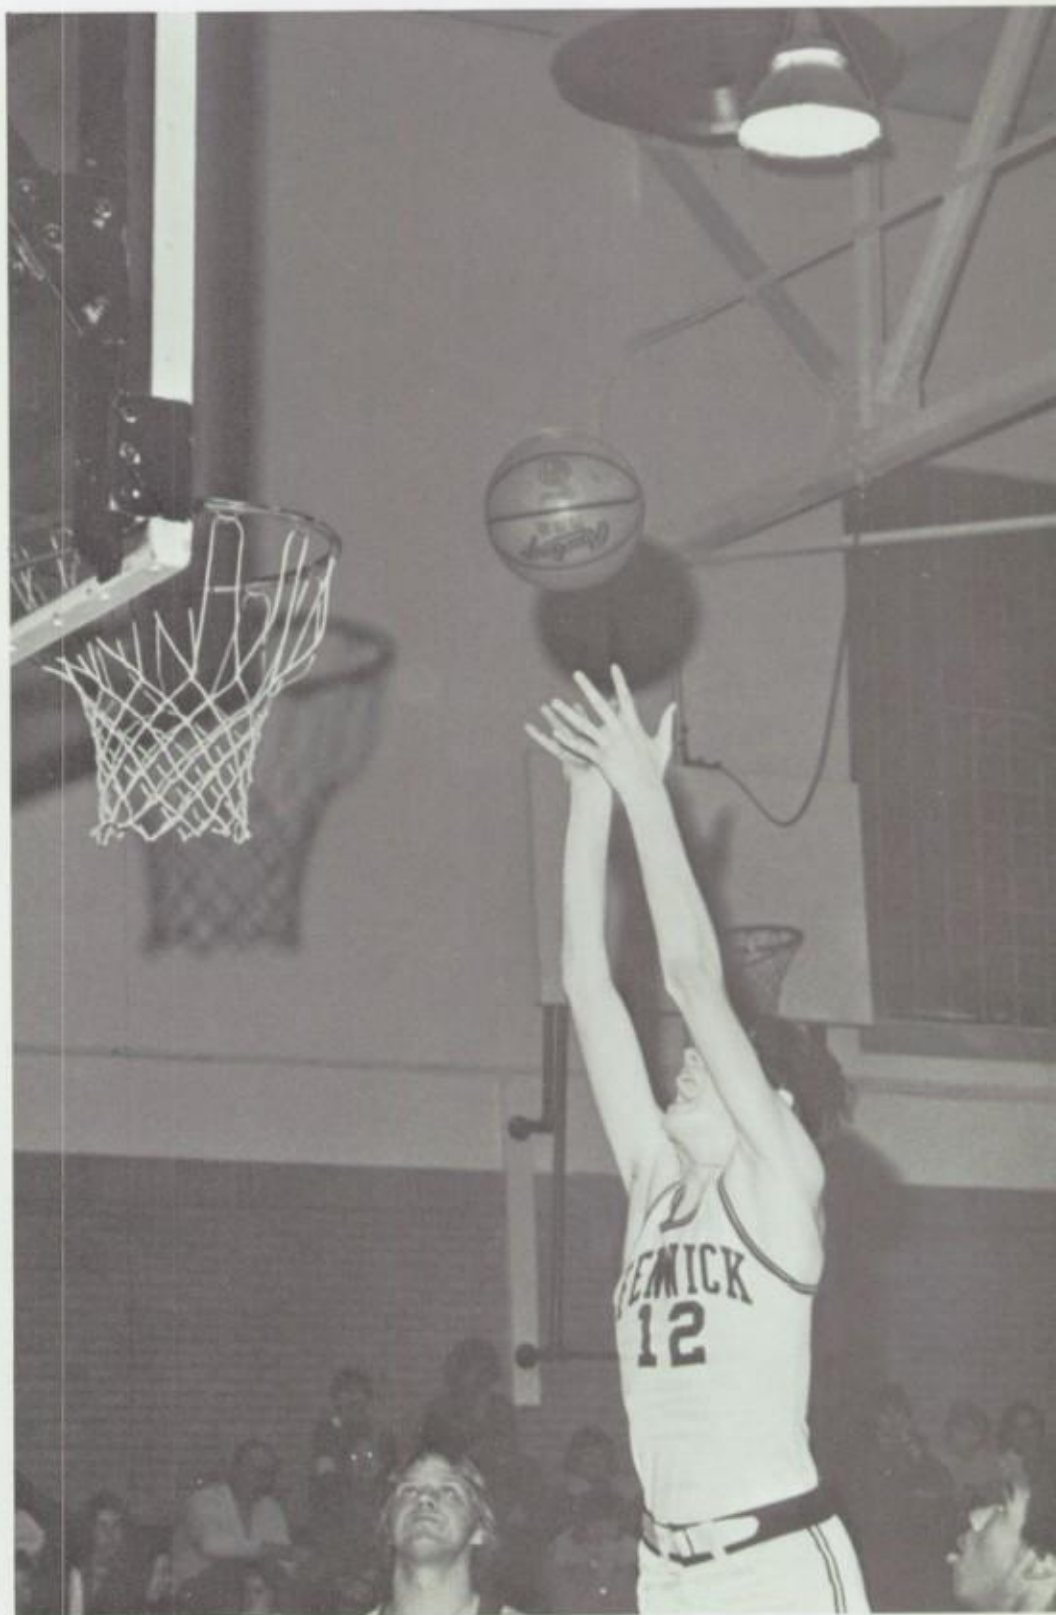

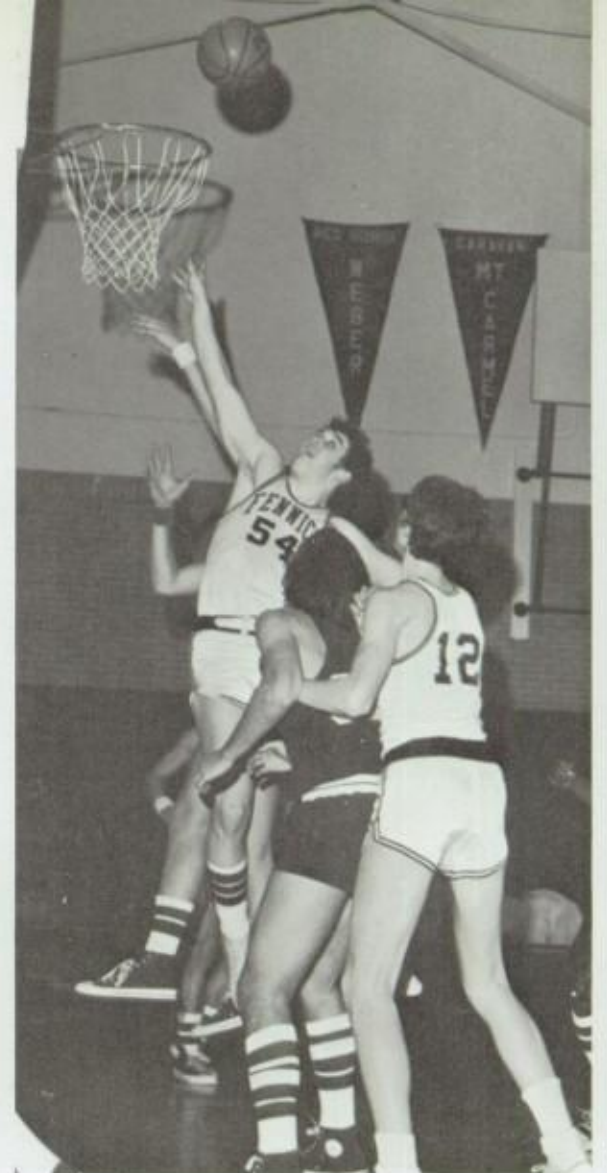

In a double-overtime battle, the Friars lost on the road in a small gym to a scrappy Mt. Carmel club. After knocking off Hales Franciscan in a game which was closely contested until the last few minutes, the Friars traveled to St. Laurence for their Catholic League season finale. The Chicago Catholic League Co-Champions proved too much for Fenwick, who lost to the Vikings, thus ending the season with a 7-3 record, second highest in the Catholic League.

In post-season play, Fenwick clashed with state-ranked Oak Park-River Forest in the first game of the Proviso East Regional Championship Play-offs. The Friars gave the cross-town rivals all they could handle by scoring eight more field goals than the Huskies. Unfortunately, the game was decided at the free throw line, where Oak Park cashed in on 25 charity shots as compared to only three for the Friars.

The starting squad for the 1975-1976 Fenwick Friar Basketball Team consisted of Seniors Mark Wolfe, Barry Houlihan, and Ed Trauth, Junior Perry Novelli, and this year's captain, Neil Bresnahan. Neil, a three-year varsity starter, was Fenwick's Most Valuable Player for the second straight year. Among his numerous achievements through his four years here were his being named to the first team of the Chicago Catholic League All-Stars, as well as the First Team of the All-Area Teams of the CHICAGO TRIBUNE, CHICAGO DAILY NEWS, and SUBURBAN TRIB.

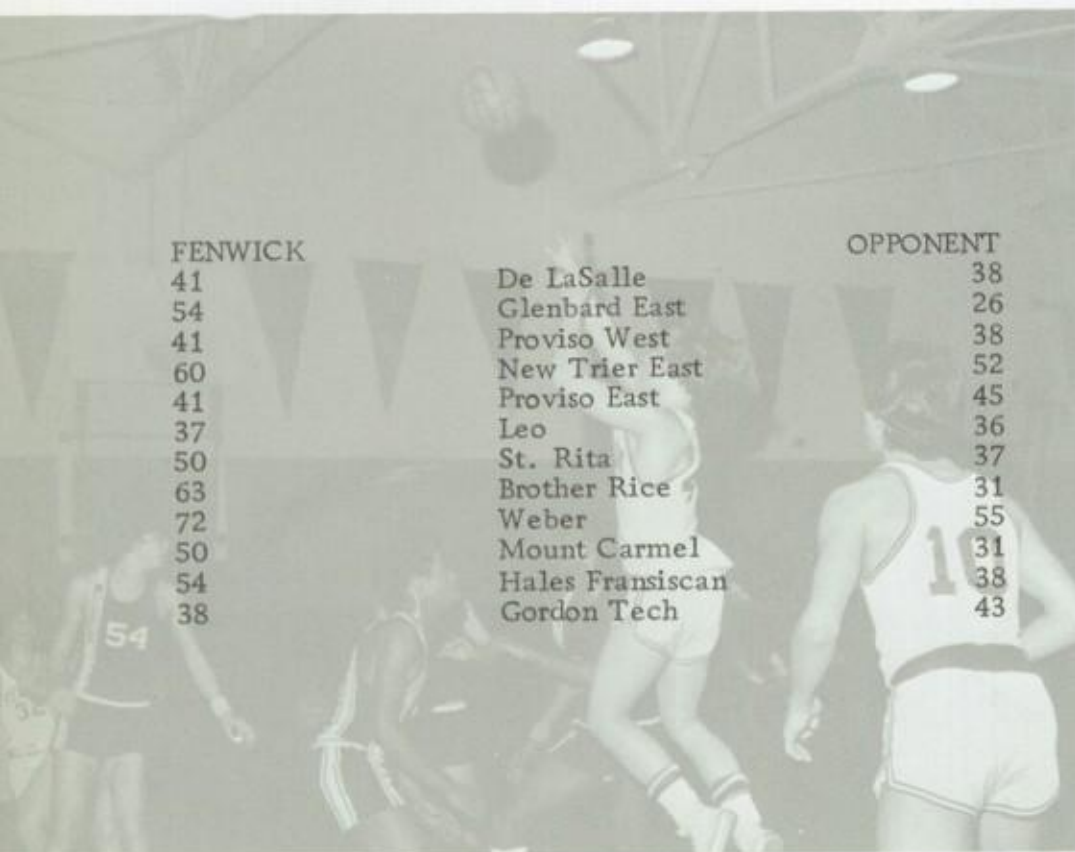

As the season progressed, Fenwick proved that by adding the considerable talents of Neil Bresnahan to a strong team effort, the result was victory.

Swimming

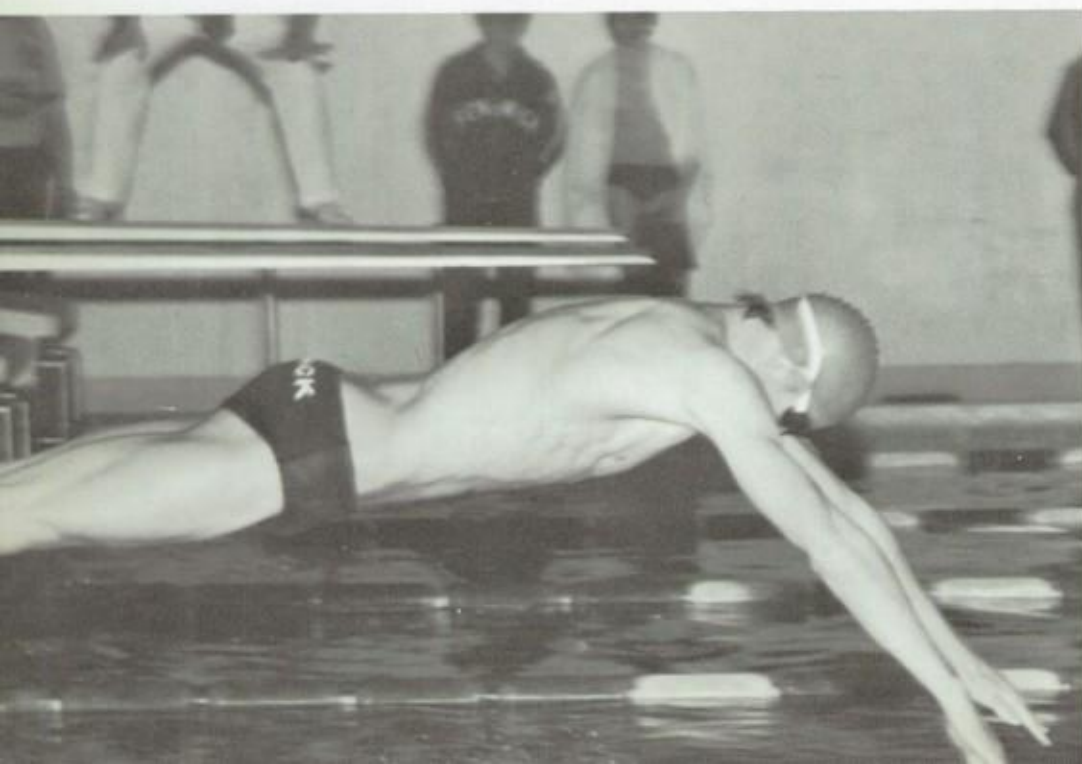

Third In State

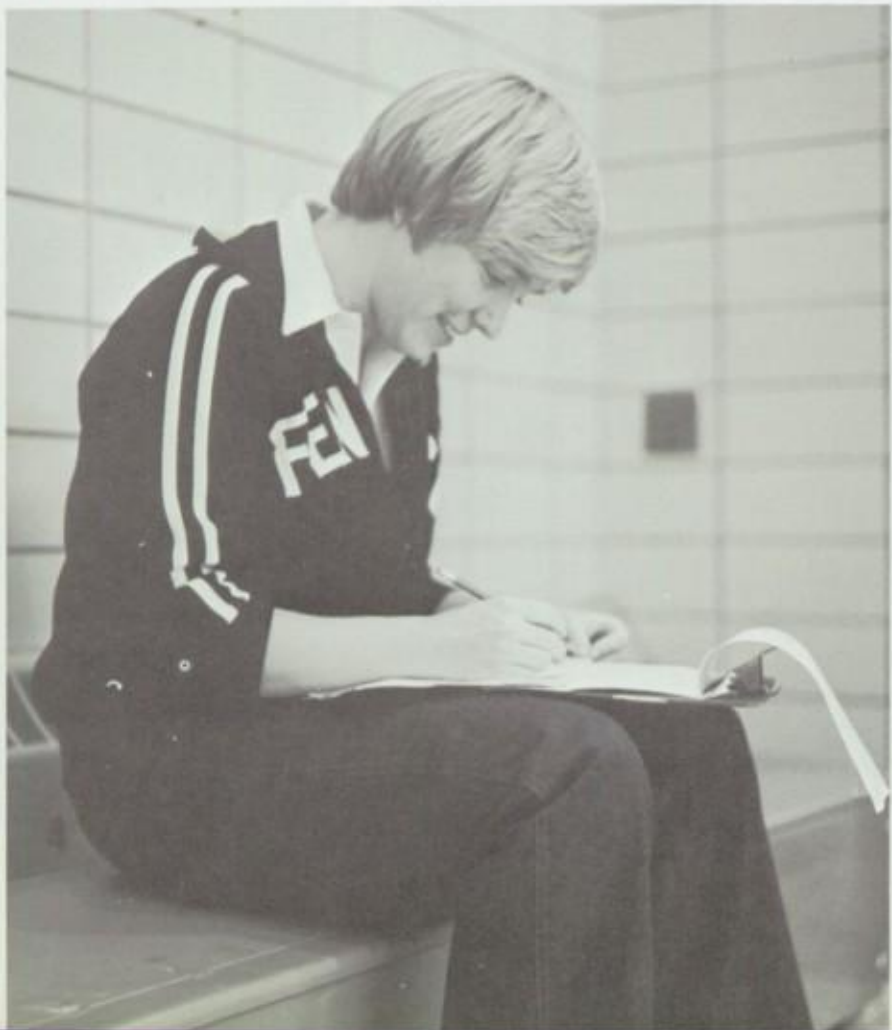

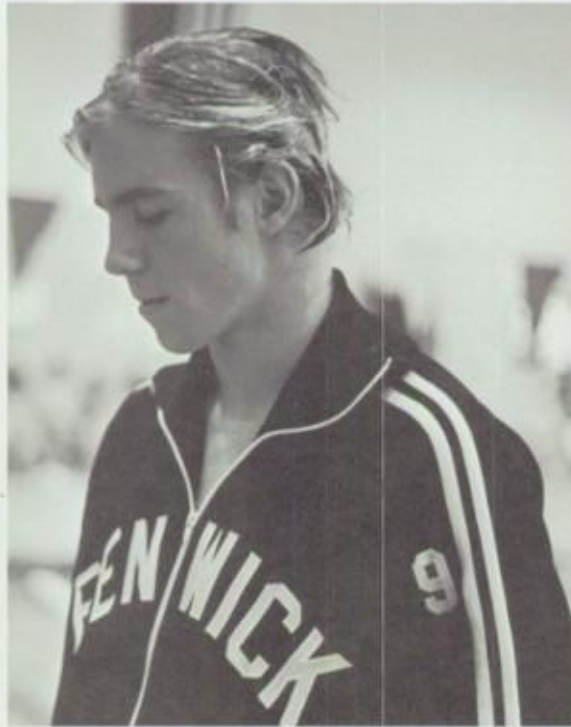

The 1975-1976 edition of Fenwick's Swimming Team enjoyed its second straight successful season in IHSA competition. Coached by Hal White, and led by Senior co-Captains Joe Wendt and Marty Krug, the Friars went on to a smashing victory at the Evanston district meet, eventually capturing third place in the state meet at Hinsdale South.

The strong finish offset the losses of some top swimmers who, in the course of the season, were sidelined with one malady or another.

Outstanding performers for the year included Senior Pat Gallagher (third in state: 200 yd. individual medley), Senior Marty Krug (fifth in state: freestyle), Junior Russ Curry (third in state: 100 yd. breaststroke), and Seniors Joe Wendt and Dick Wallach (fifth: 400 freestyle relay, fourth: 200 medley relay).

As always, due to a strong team effort, Fenwick maintained its high standing against strong competition

Water Polo

Catholic League Champs

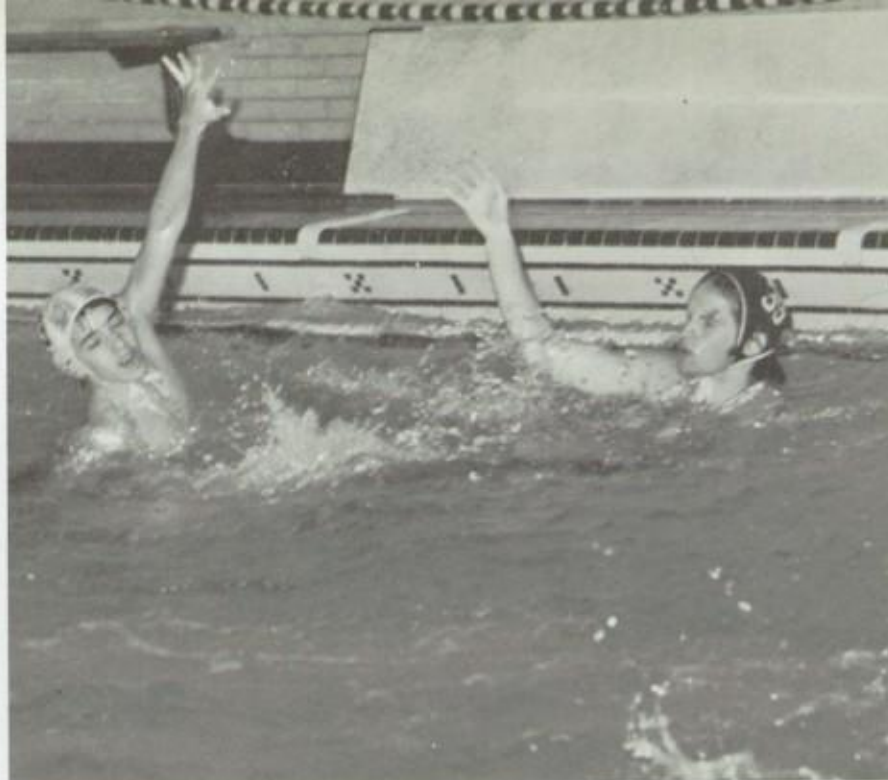

Third In State

The 1975 Friars faced the new season as defending state champions and thus the prime target of every team in Illinois. In all games, Fenwick's opponents exerted maximum effort to upset the favored champs, and this fierce opposition increased with each game until, after 144 consecutive victories, the Friars were finally defeated in the state play-offs.

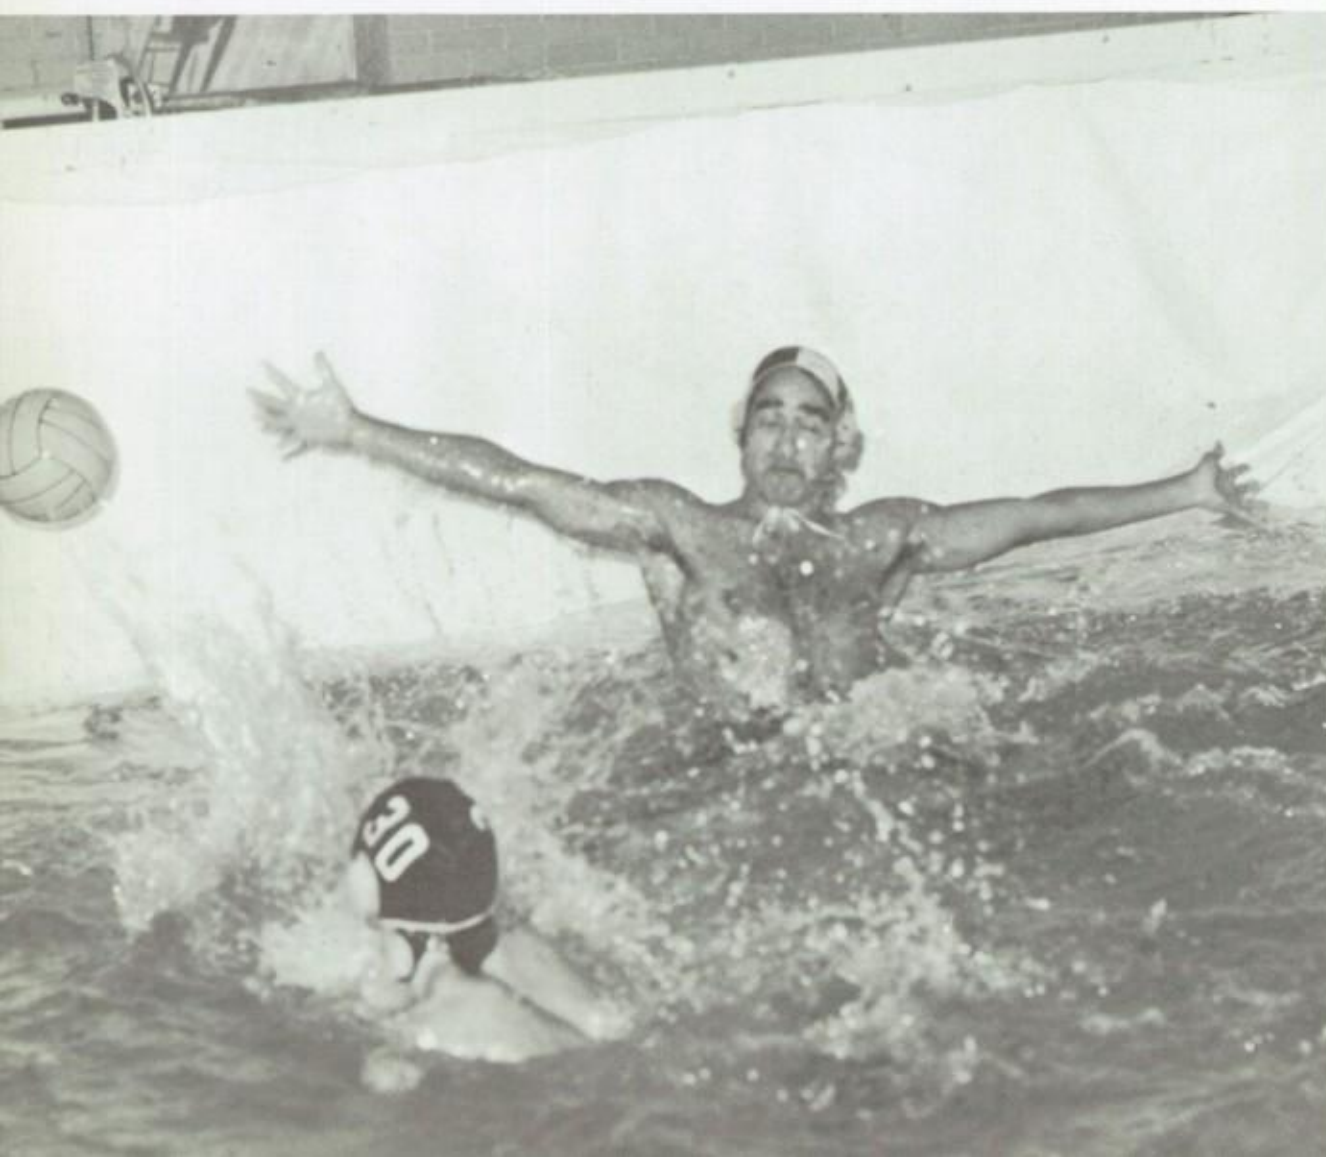

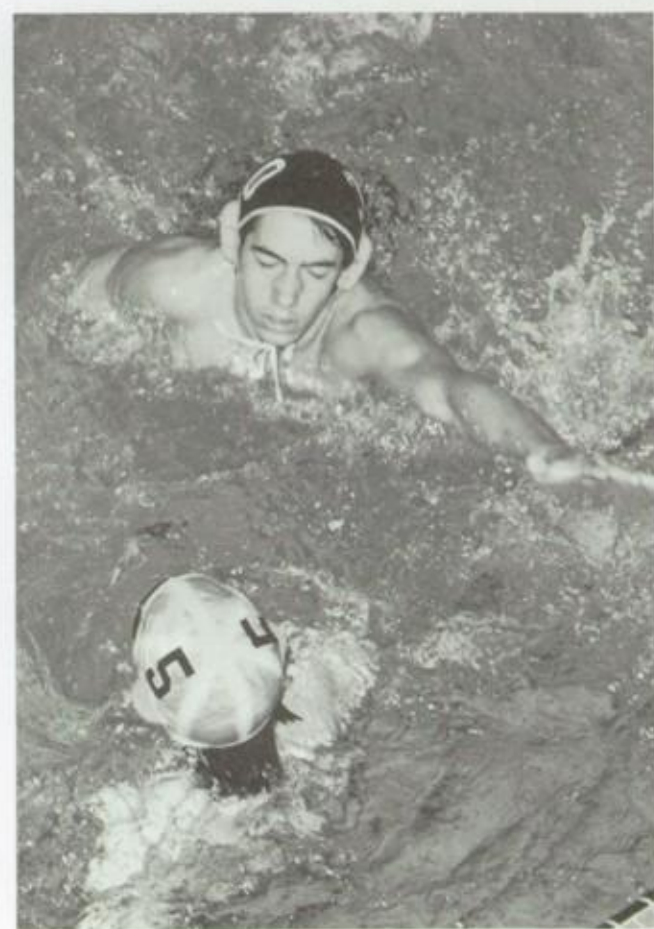

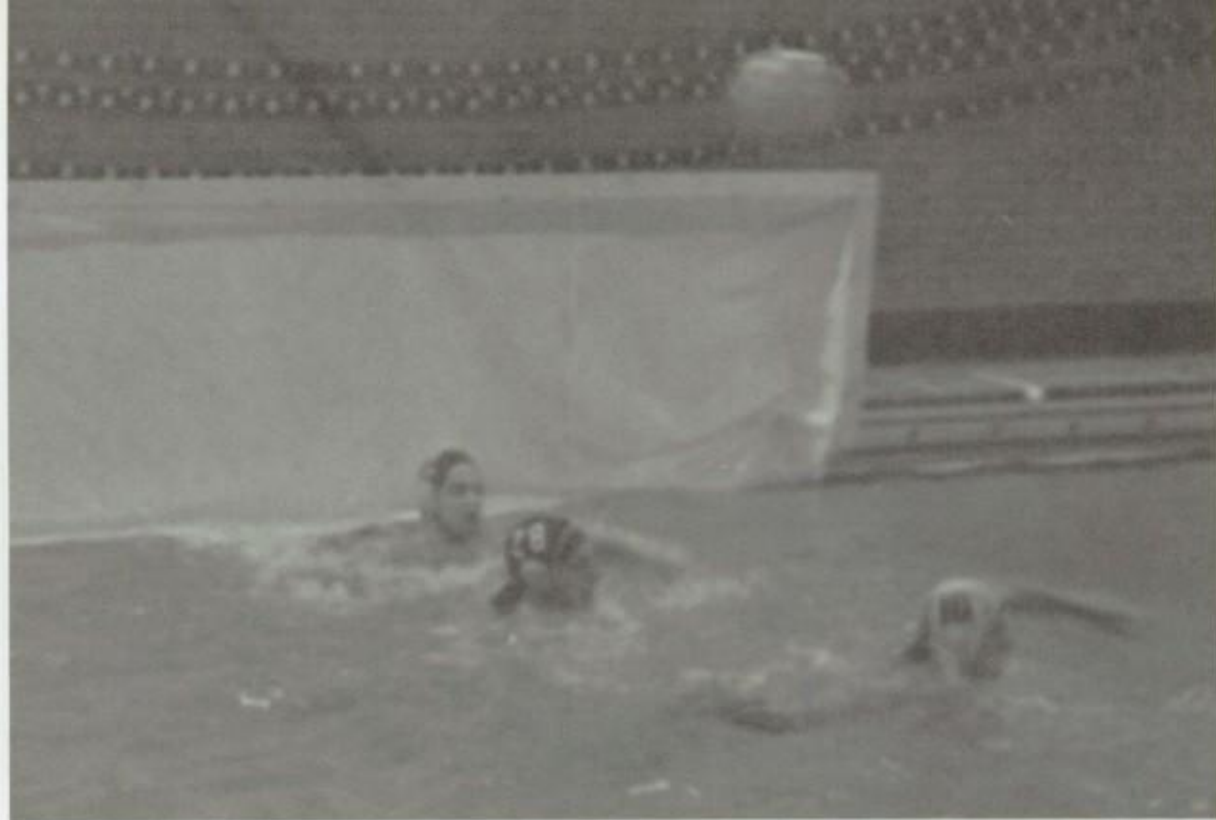

After an undefeated regular season, the Friars met their first real test against Mt. Carmel in the Chicago Catholic League Finals; however, Coach Hal White's Friars were equal to the task, and emerged from the struggle Catholic League Champions.

Shaken by the dual pressure of the phenomenal win streak and the state tournament, the Friars at length succumbed to Mt. Carmel for their first loss since 1969. Before the season ended, however, Fenwick rebounded to beat Evanston and outclassed Loyola to gain a third place in the state finals.

Friar honors on the All-State Water Polo Team included Russ Curry (deep-end goalie), Joe Wendt (field), and Jeff Wimer (field) on the first team; Dick Wallach on the second team; and honorable mentions to Bryan Herne and Pat Gallagher. Thus Fenwick retained its reputation as one of Illinois' top water polo teams.

Cross-Country

Mr. Polka coached the Fenwick Cross-Country team to another successful season in 1975. Led by the team's first man, Junior Paul Lunecki, Senior Captain John Ouper, and Sophomore Captain Dave Grilli, the Friars maintained the standard of excellence for which Fenwick is known.

Posting a 7-3 regular season record, Fenwick took fifth place in the Catholic League and seventh in the District Meet.

Cross-Country looks promising for the future, with most team members returning next year, thus providing Fenwick with an experienced group of runners, which should continue to uphold a winning tradition.

Golf

The Fenwick golf team enjoyed another successful season in 1975. With four juniors returning from the 1974 team the future looked bright. The Friars started off well with a victory over rival Loyola and went on to win six straight dual matches with no defeats. A highlight of the matches was a stunning victory over Oak Park. Bob Valadka led the team through the season with strong support from Captain Bob Bruce and Senior Tony Barrett. In a disappointing outcome, the team placed second in the Catholic League losing in a sudden death play-off. Bob Valadka was medalist of the meet with a 78.

The season came to an end with a fifth place finish in the district meet at Glenview. The future of Fenwick golf looks good as Mike Flynn, Tony Cascino, John Barret, and Pat Thornton return for the 1976 team.

Tennis

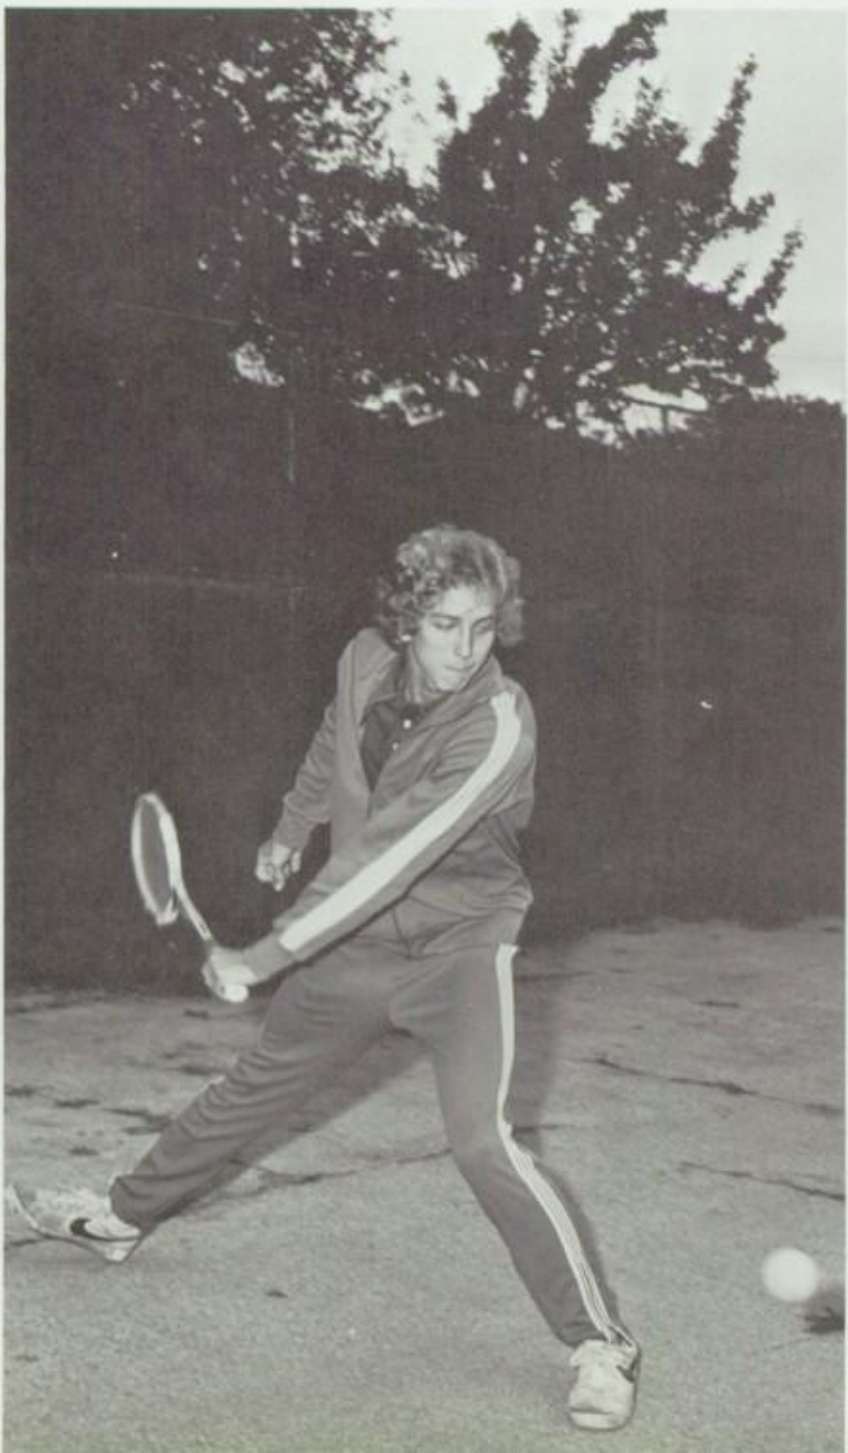

Third In Catholic League

Coached by Fr. Nicholas Ashenbrener, the 1975 Fenwick Tennis Team ended the regular season with an 8-4 record, and a respectable third place finish in the tough Chicago Catholic League race. The captain of this year's team was John Kelly. Kelly and Gint Baukus, the only seniors on the team, gave Fenwick tennis the needed experience for victory. Junior Ron Lorenzini, top singles player, and Sophomore Nat Rosasco, the most improved player on the team, form a solid base for next year's team.

Hockey

Coached by George Spellmire and Jack Porn the Friar icemen maintained Fenwick's high standing in Catholic League Hockey. The team skated harder than ever in an attempt to attain the prestigious Kennedy Cup, bowing out in the semi-finals. Led by co-captains Rick Smith and Mike Sullivan, the Friars placed second in the Catholic League and played two games in the State Tournament. Additional leadership was provided by Seniors Pete Collins, Sean St. Clair, and Tom McSheehy, along with Juniors John Hopkins, Bob Paladino, and Marty Costello. All things taken into account, it is strong school spirit that keeps the icemen winning year after year.

Bowling

September of 1975 saw the birth of a new sport at Fenwick: Bowling. Through the efforts of Moderator/Coach Michael DePaldo, the Fenwick Friars Bowling Team became a member of the Catholic Interschool Bowling League (CIBL), competing in the North Section with Weber, Loyola, Holy Trinity, and Gordon Tech.

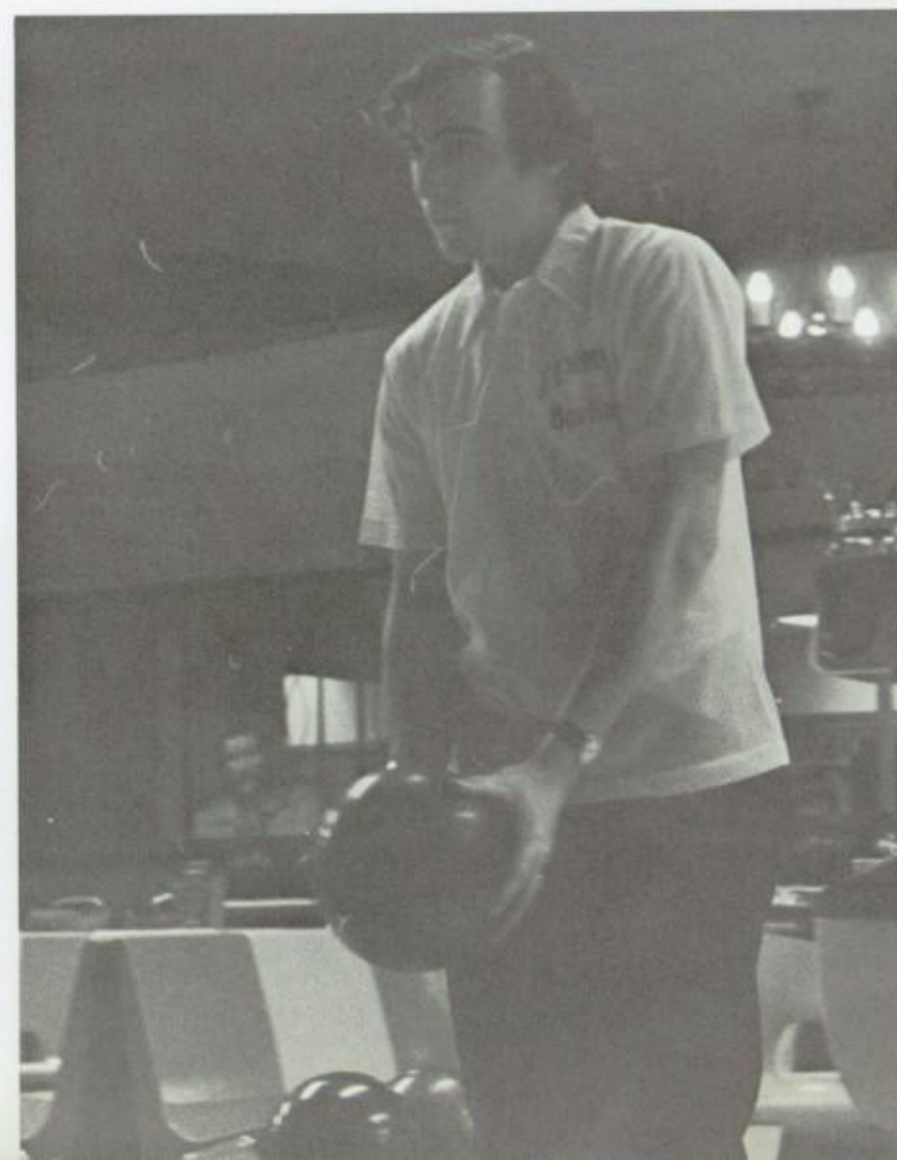

A 7-point system was used for scoring: Two points to the victor in each of the three games bowled, and one point to the team with the highest total score for the match.

Thrashing Mount Carmel 7-0 in the season opener, and defeating both Holy Trinity and Weber 5-2, the time came for the Friars to challenge perennial league champion Gordon's Rampins. Though the Friars went 0-7, each game was decided by only a few pins, providing the Rampins with one of their closest matches of the season. As the year progressed, Fenwick maintained a good record, finally closing the season in third place behind Gordon and Loyola, a respectable finish for a first-year team!

Varsity mainstays for the 1975-76 Friars were Seniors Herb Marros and Bob Svatos, and Juniors Rich Tomaskiewicz (top Varsity bowler), Mike Ransom, Bill Kragh, and John Kacena. Also bowling Varsity in the course of the season were Seniors Dan Bylica, Dan Mentone, Conrad Kolis, and Ed Beck, along with Junior Tom Baranowski.

In addition to joining the CIBL, Fenwick also started an intramural league, which bowled every Tuesday at Circle Lanes in Forest Park. The League, consisting of ten 4-man teams, was a handicap league which scored with the 7-point system of the CIBL.

With the plethora of bowling talent at Fenwick, Coach DePlado should have no problems leading next year's Friar Keglers to another excellent season, building a name for Fenwick in yet another sport!

Students For A Christian Society

The SCS, which has been at Fenwick for the last three years, is an outgrowth of the Confraternity of Saint Thomas Aquinas. It is a service organization in which those who wish to participate meet regularly at the Priory of Saint Dominic--Saint Thomas in River Forest to discuss plans for future activities. Student tutoring and the Advent food drive were among the events successfully carried out by the SCS this year under the capable leadership of the moderators: Father Harold Ostdiek, O. P.; Father Peter Witchousky, O. P.; and Sister Mary Meegan, O. P.

Wick

THE 1976-1977 WICK STAFF: Editor-in-Chief Dean Novelli, Commentary Editor Joe Przepiorka, Sports Editor Bob Walsh, Feature Editor Steve Tantillo, News Editor Paul Pusateri. NOT PICTURED: Sports Editor Bill Rosemeyer.

Fenwick's amateur journalists presented to the school, news, opinions, and humor through its newspaper, the WICK, moderated by Fr. Marrin. In addition to reporting prominent events, the paper reflects students' attitudes, comments on the quality of life at Fenwick, and functions as a public relations medium outside the school, for parents, alumni, and friends.

Although there are no Pulitzer Prizes for our talented writers, full praise is given to Larry Pusateri, Dean Novelli, and to all who contributed to making the paper a success.

Camera Club

Under the leadership of Mr. Galla, the Camera Club looks to further the photographic capabilities of the members of the club. Events such as workshops, trips, and visits by special guests develop all aspects of photography including darkroom, exposure, and setting techniques. The Camera Club has earned the recognition to be called on for photography for the BLACK-FRIARS, the WICK and for publicity concerning various activities of the school.

SEATED: Michael Guncheon, Joe Przepiorka, Bill Niemiec. STANDING: Rom Warakomski, Moderator Edmund Galla, John McBride.

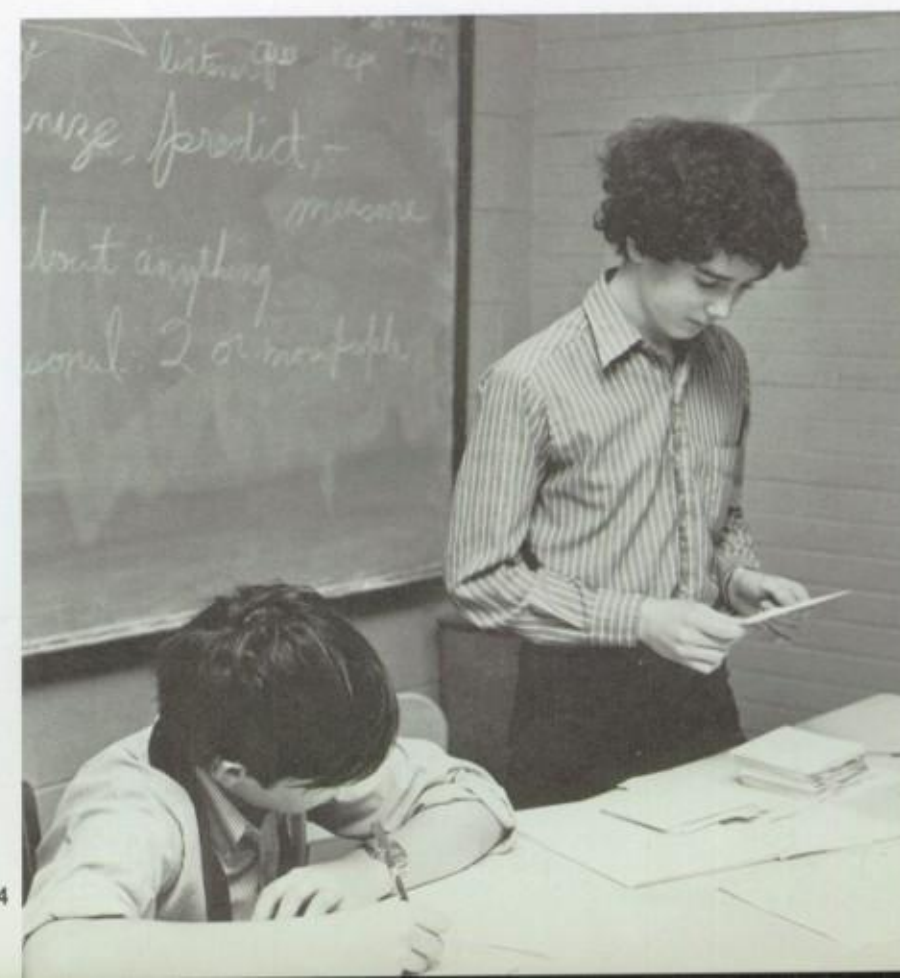

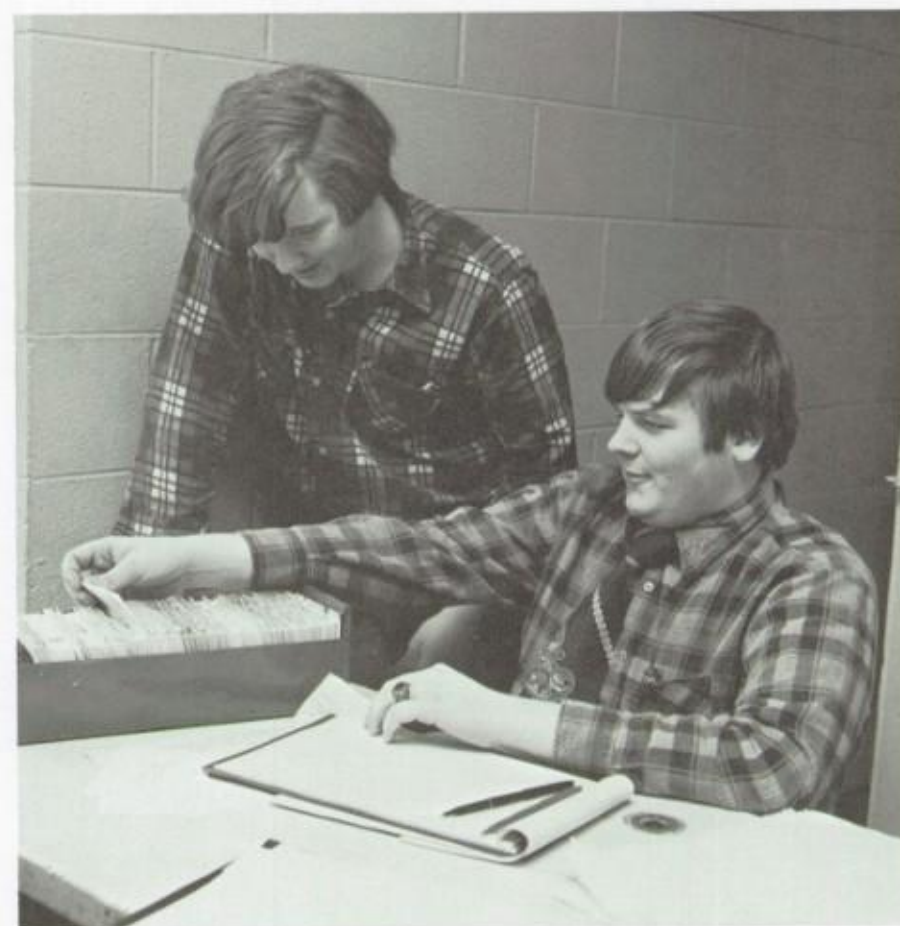

Forensics

1975-76 was full of surprises for the Fenwick Forensics Team. It began with the re-establishment of the Chicago Catholic Forensics League. With the reformation of the CCFL, Fenwick was now competing on two levels, as this was the second year in the IHSA.

The team did very well this year with the Speech team winning first place trophies at all three Catholic League tournaments. The Debate team also collected trophies at tournaments throughout the year.

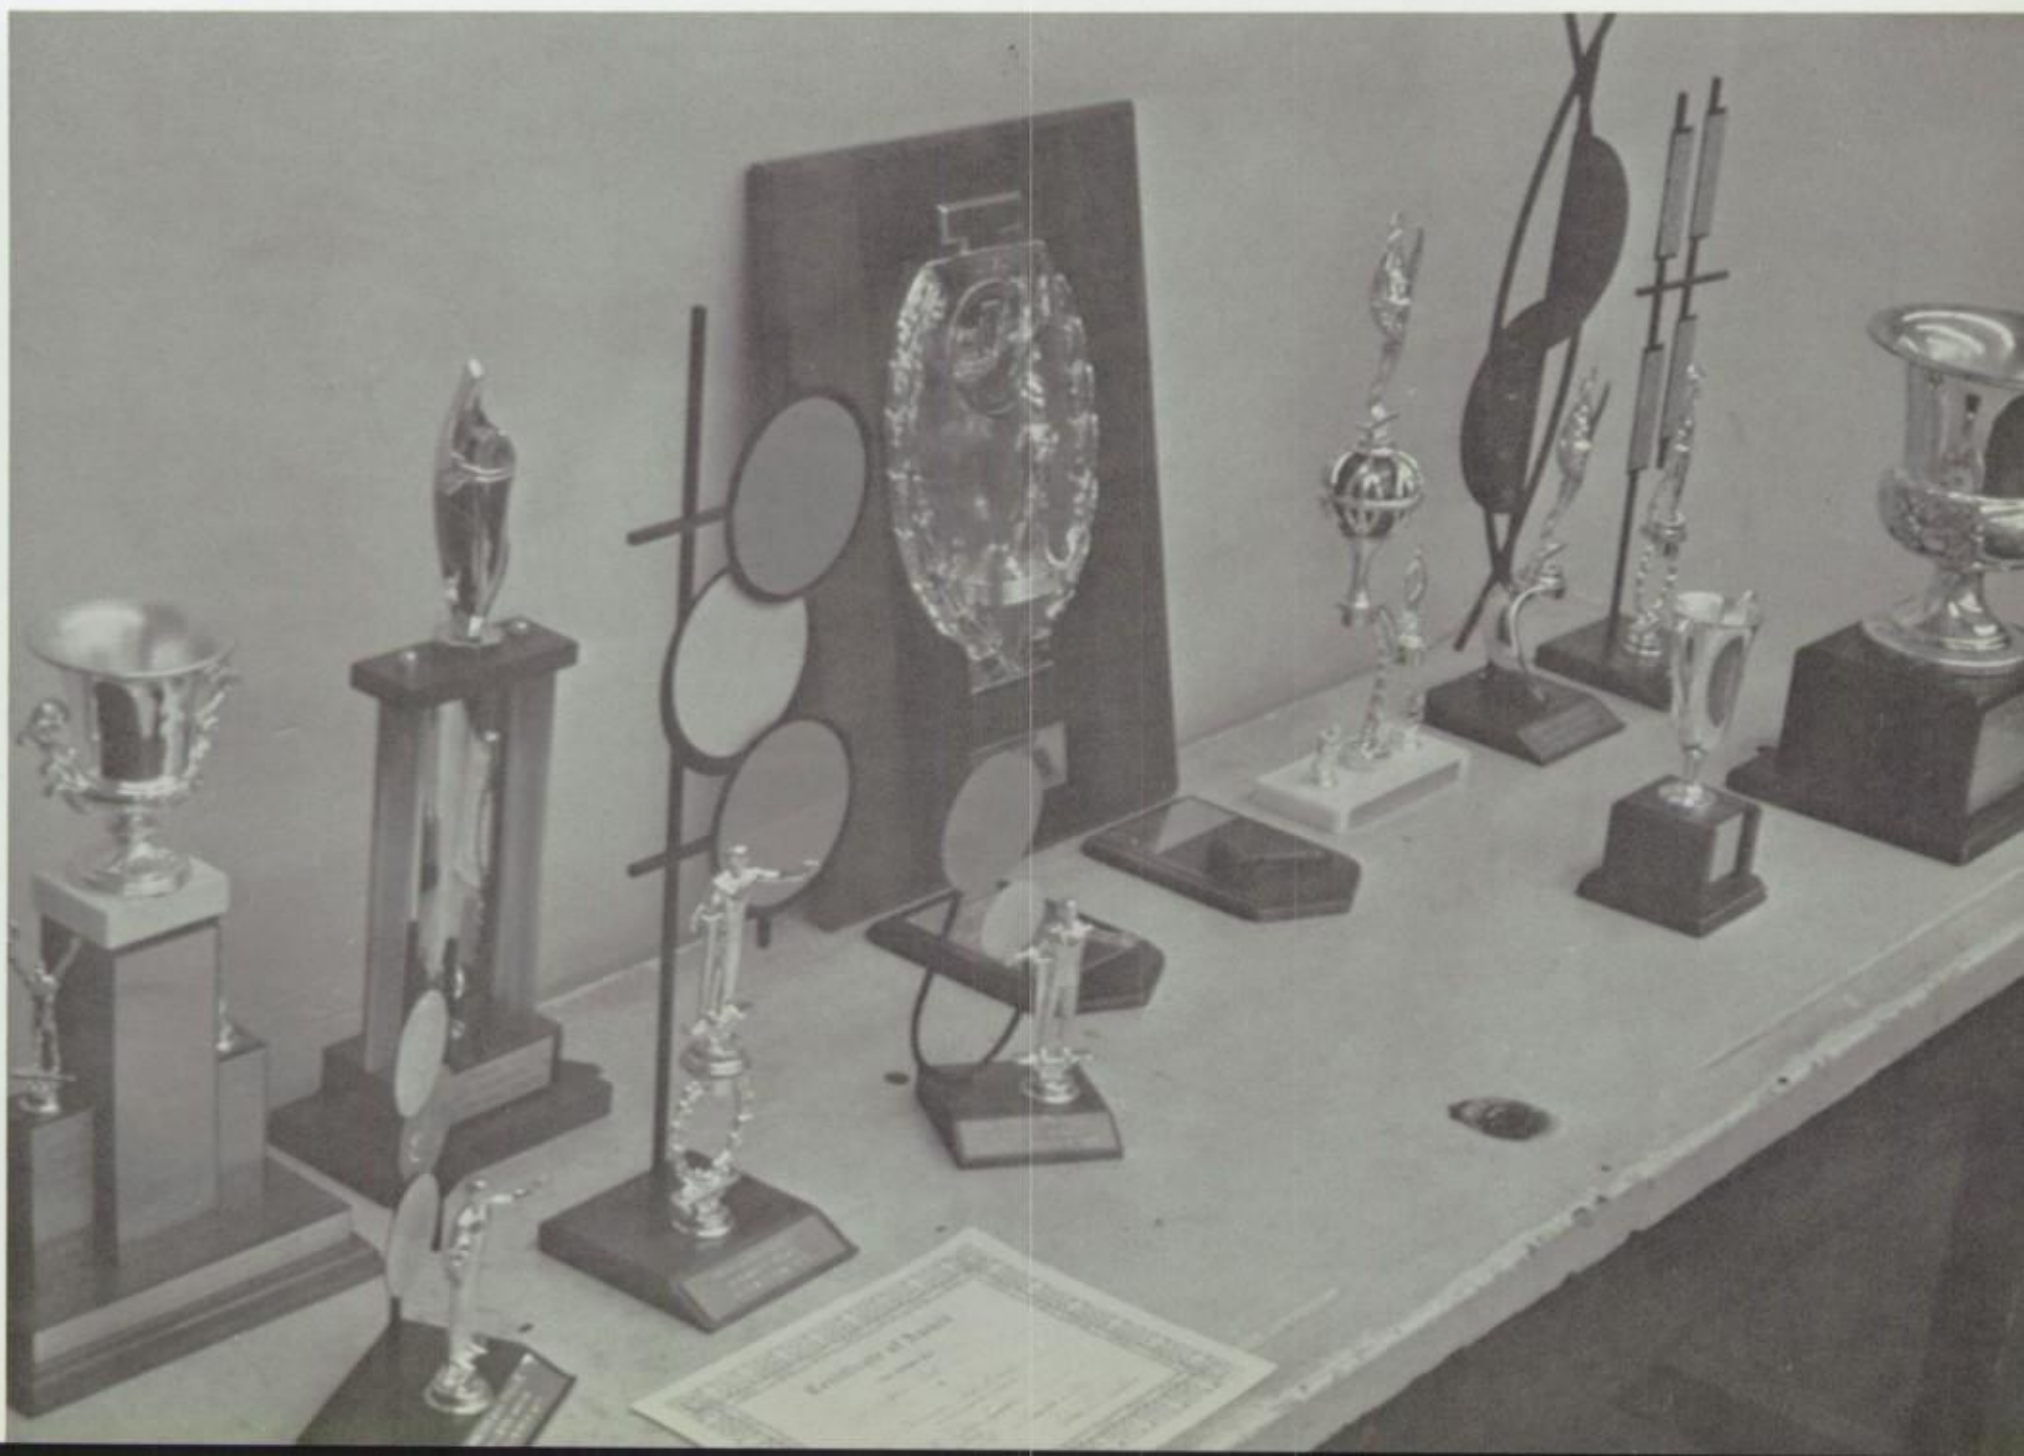

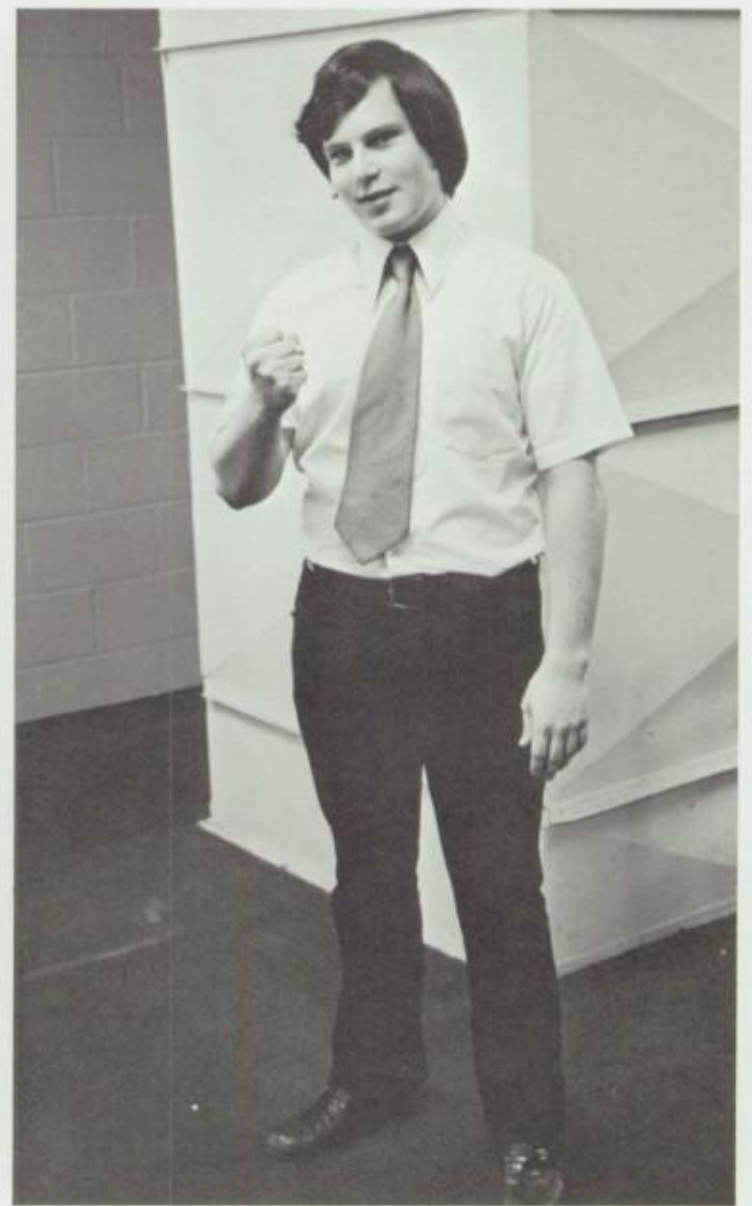

The major accomplishment of the season, however, was the qualification of ten team members to the Catholic League Finals in May. Three debate teams: John Bart and Jim Duffy, Tom Duffy and Alan Smith, and Mike Pritz and Paul Pusateri, along with speakers Chris Comella, Terry Najder, Peter Jirasek, and Mark Smetana represented the CCFL in Detroit.

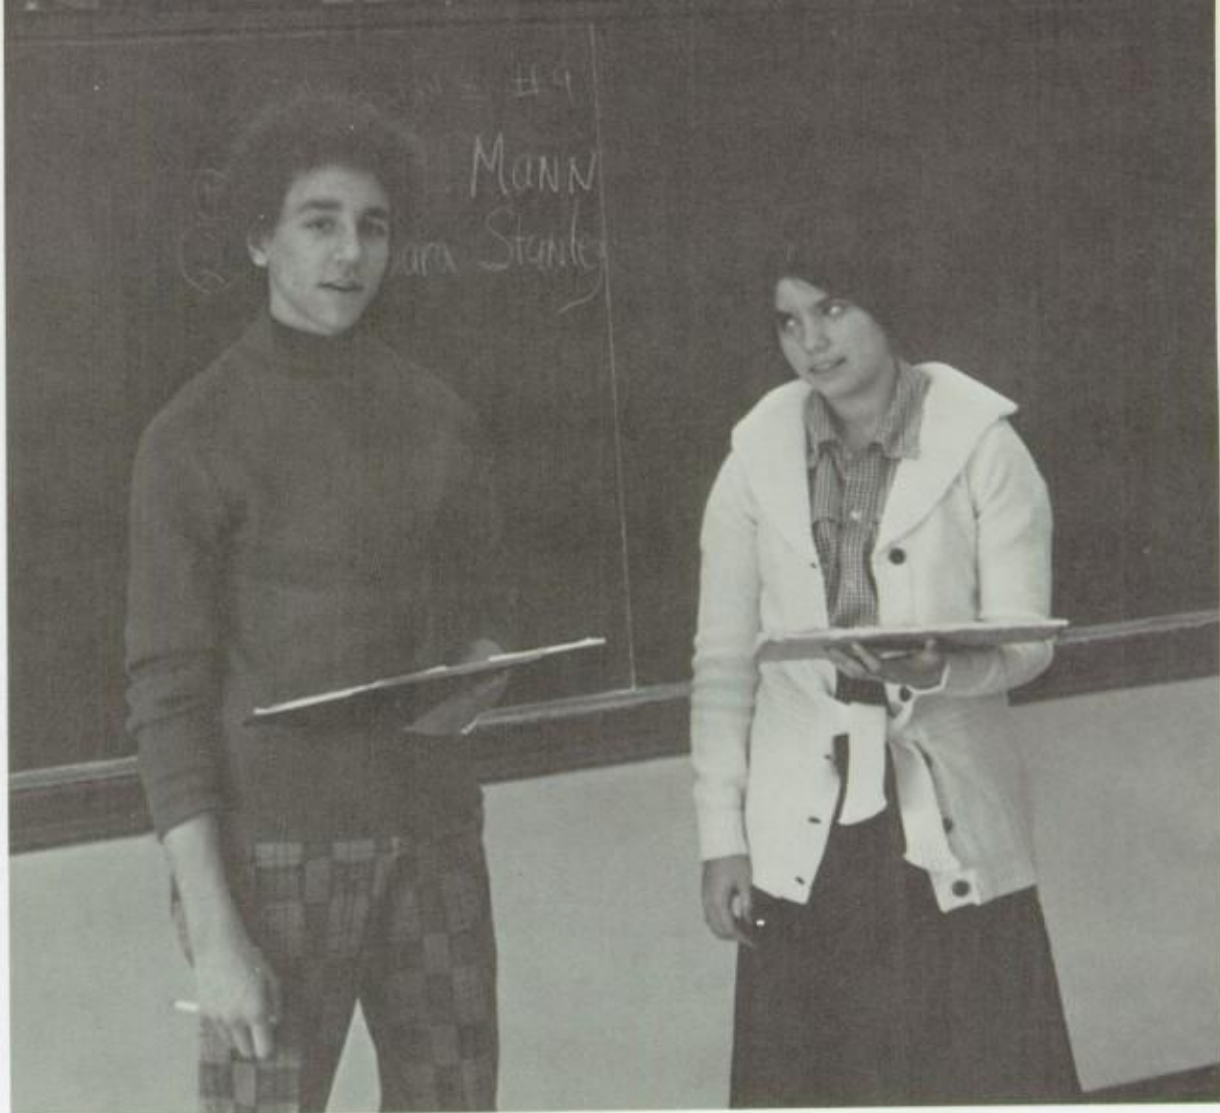

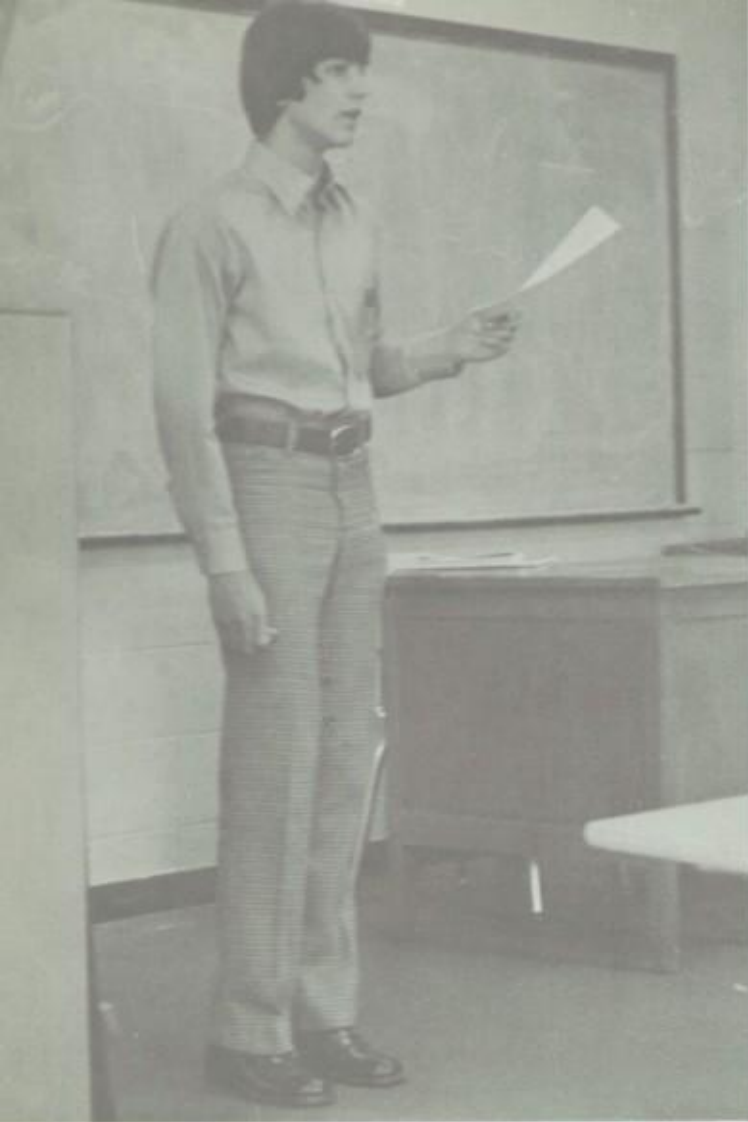

Under the leadership of Coach Andrew Arellano and Assistant Coach Vince Mietlicki, the Speech Team has had a successful season thanks not only to the qualifiers but also to the whole team for its diligent effort.

Math Competition Club

The 1975-1976 school year saw the birth of a new organization, the Math Competition Club, moderated by Mr. Finnell. The primary purpose of the Club is to stimulate interest in mathematics through various competitions. Students learned a great deal when the solutions to the problems were discussed. Over twenty students regularly participated in 1975-76, and further participation is expected in the future.

Biology Club

Fenwick's Biology Club gives students an outlet for their interest in the study of the biological sciences. The club, moderated by Mr. Rudnik, took part in numerous activities and outings throughout the year, including visits to museums and the Loyola Medical Center as well as tours of both Brookfield and Lincoln Park Zoos. Members also had the opportunity to view films at weekly meetings.

Deutscher Verein

The German Club, (DEUTSCHER VEREIN), boasted over one hundred members this year, and thus remained the largest and one of the most active clubs at Fenwick. Through the energetic efforts of Moderator Fr. Ashenbrener and the officers, the Club engaged itself in a large number of activities, which included a German float for Homecoming (which won second place), the hosting of numerous gym nights, the presentation of a Christmas program and a German dinner.

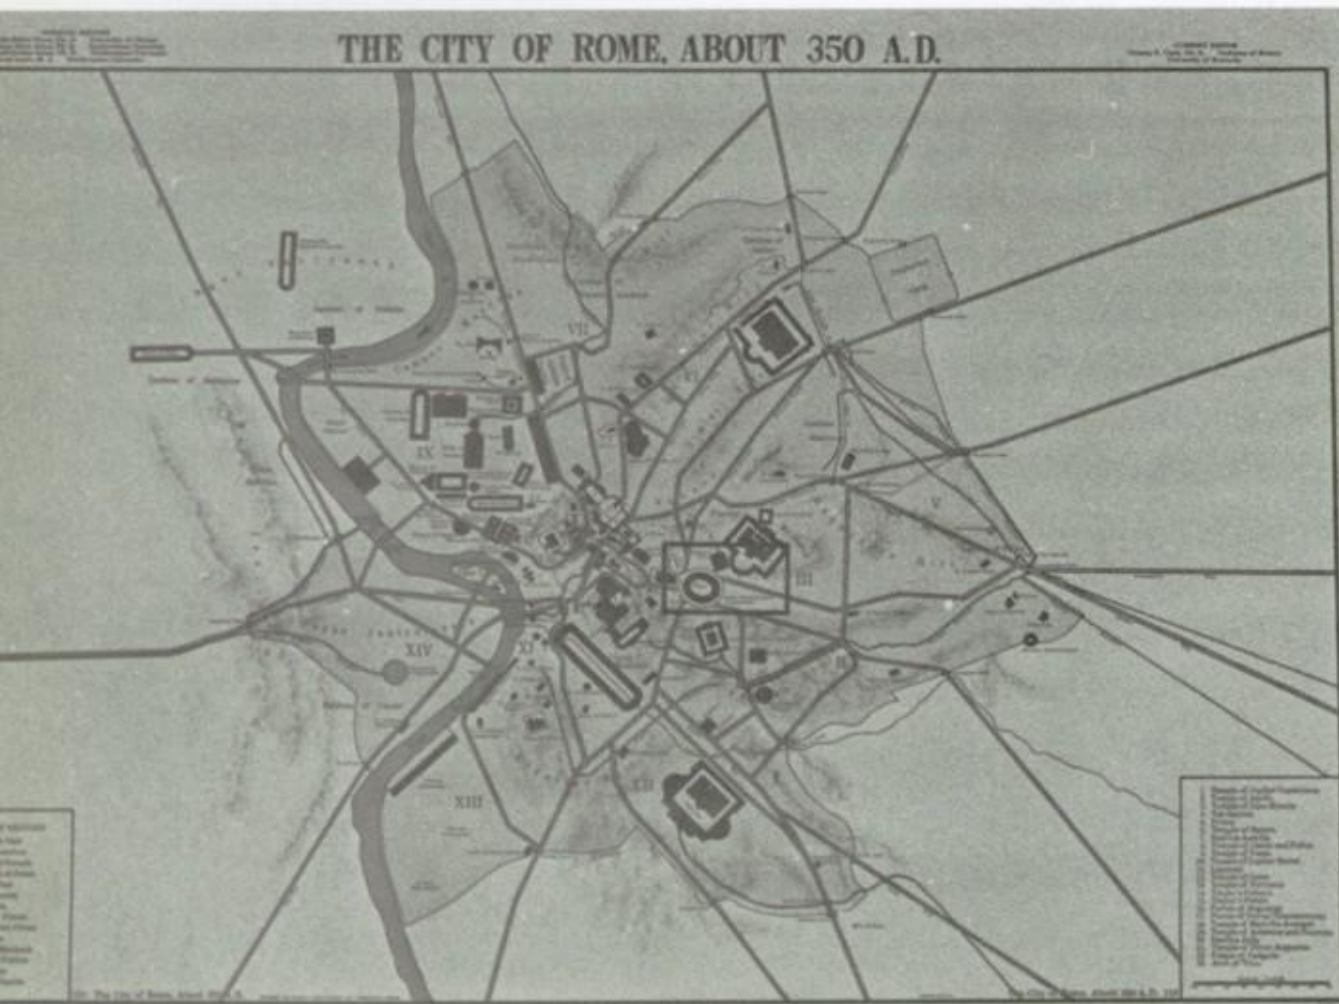

The German Club's purpose is to promote German culture outside the classroom, and, at the same time, to have fun. Each prospective member must fulfill certain requirements: he must take German as his language elective; he must know the German Club cheer and song; and he must submit a small nominal sum, which comes back in the form of fun and frolic. "EIN PROSIT!"

Curia Romana

The Latin Club, (CURIA ROMANA), moderated by Fr. Hren, stresses a broader understanding of the classics. The very active members took part in tours of various museums and the Art Institute. In the spirit of competition, a football game was held between the Latin Club and the German Club. Members received a good taste of Roman culture by feasting on an Italian meal. At Fenwick, it can still be said, "LATINA VITAT!"

FRONT ROW: Tony Giglio, Mike Cusick, Scott Moffitt, Mark Jefferies, Brian Rejsek. SECOND ROW: Moderator, Fr. Hren, Larry Pusateri, Kevin Moore, Dan Maloney, Bob Lyons, Chris Chalifoux, Donald Schildgen, Jim Russell, Joe Scodius, Ron Pieroni, Dennis Harty, John O'Rourke, Rich Habes. Lithuanian Club

Mr. Galla, moderator

One of the more unique clubs at Fenwick is the Lithuanian Club. Its purpose is to expose the student to one of the oldest cultures still intact today--that of Lithuania. This year, the Lithuanian Club focused on the language of the country. Activities included the presentation of displays, and visits to museums. Mr. Galla presided as moderator of the group. "LINKEJIMOS VISIEMS!"

PICTURED BELOW ARE: Algis Suopys, Ray Bandziulis, Bob Baiyor, and Brian Rejsek.

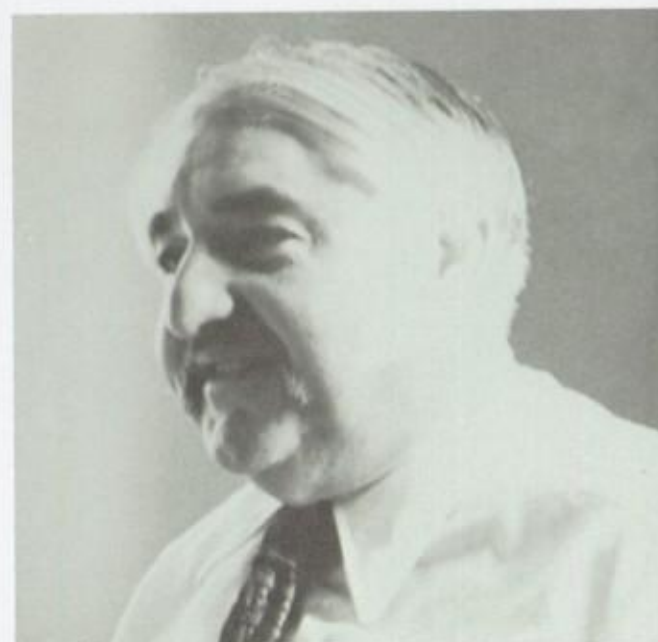

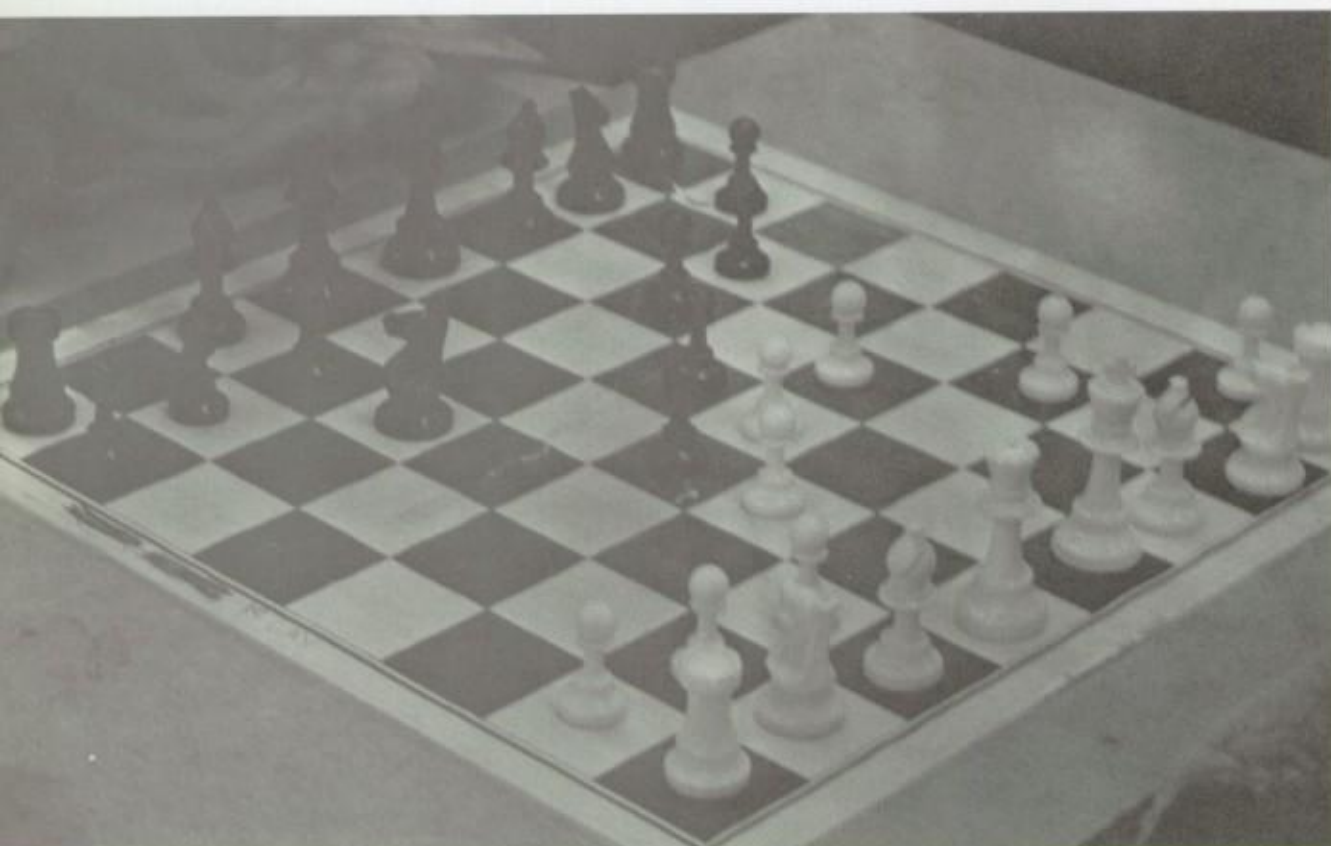

Chess

The Chess Club, moderated by Mr. Spitznagel and Mr. Galla, is a club which seeks to further the students' intellectual abilities while having fun. One of its main purposes is to develop students for the Chess team which competes in tournaments against other schools. The Club does this by holding regular practices as well as intramural tournaments, thus giving both the team and club members the experience necessary to become masters of the thinking process required for the game.

Bicycle Club

Fr. McGrath, Moderator.

The intrepid Bicycle Club pedaled on to more excursions this year, facing dangers ranging from inclement weather to "Baskerville"--sized hounds. Successful trips included tours of Chicago's Lakeshore Drive and of Cantigny War Memorial Museum in Wheaton, with a stop at Morton Arboretum on the returntrip, as well as an overnight stay at Lake Geneva in the spring. In addition, the Club formed a bicycle repair shop which extended aid to those members of the student body who rode to school every day. Extensive summer tours keep the members busy during the vacation months.

FRONT ROW: Joe Przepiorka, Jeff Leacher, Kerry Marcheschi, Matt Sullivan, Jeff Wagner, Alan Lorr. BACK ROW: John Reidl, Mike Hennegan, John Forsythe, William Kragh.

Ski Club

Whether or not Fenwick students will be elegantly schussing down Alpine slopes in the style of Jean-Claude Killy or Willy Bogner, Jr., the ski club made an excellent start. Several successful trips encouraged members ranging from freshmen through seniors to join. Activities included six outings in the months of December to March, along with trips to Wilmot Mountain and Alpine Valley.

If one cannot manage to even stand up straight on skis he need not worry; the skills of the members vary, from experienced skiers with advanced racing abilities to recreational participants and eager learners. All of the members shared enthusiasm over the success of this year.

Band

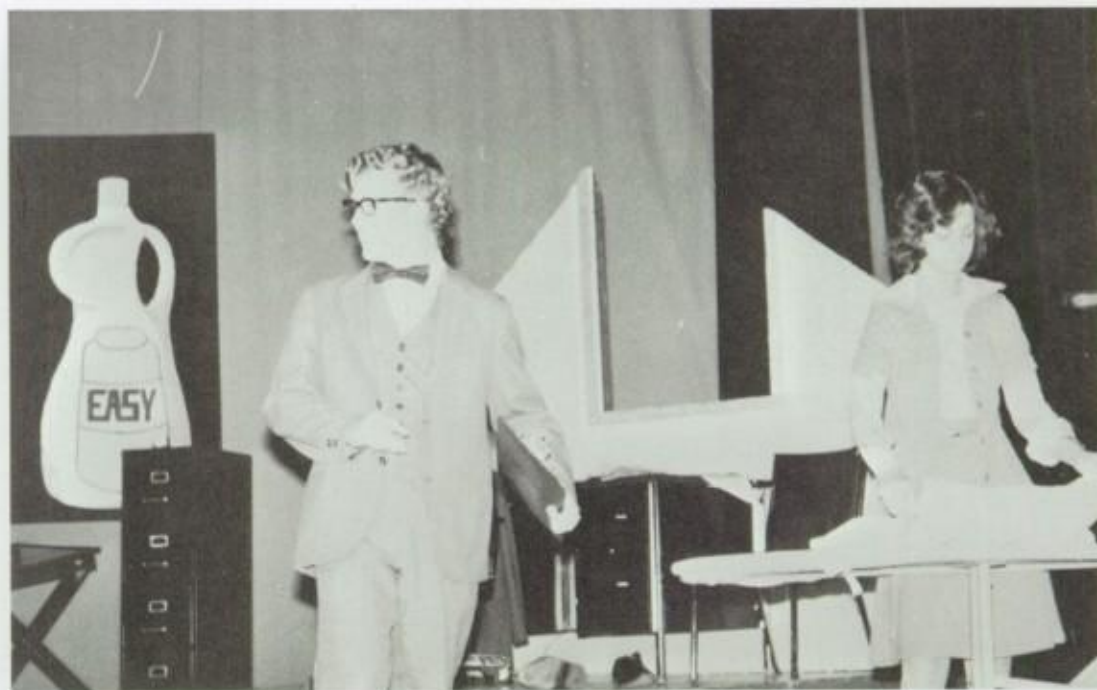

The 1975-76 Fenwick Band had strong leadership and much talent. The program was expanded last year and this continued this year. While only one band member graduated last year, there were very many new participants. The year was highlighted by several concerts, shows, competitions, and other performances. The Spring Concert and joint concert with Nazareth High School, along with the Banua Show, were the major appearances at school, but the band also visited several grade schools, sponsored its own contest for elementary school students, and participated in jazz and stage band shows. The quality of music and showmanship was high. Lead by Mr. Szostek, its director, and Father Landmesser, its moderator, and Senior musicians John Grayhack, Dom Lombardo, Scott Lovero, Jack McAuliffe, Jack Rodden, and John Suess, the band grew in reputation and excellence. It was a year of growth, planning, and success.

Two of the most important organizations at Fenwick are the Mothers' Club, moderated by Father Hren, and the Fathers' Club moderated by Father O'Malley. These two clubs sponsor many activities for the benefit of the School: the School Calendar, Communion Breakfast, Parents' Nights, Corned Beef and Cabbage Dinner, the Annual Raffle, Christmas Social, and Athletic Banquets are but some events on a long list. Fenwick students appreciate the dedication and hard work of these organizations.

MAY 30, 1976

We'd looked forward to it for four whole years!
 It was now the time for us to leave!
 We were ready to face all the hopes and the fears
 Of college, at which a degree we'd receive.
 Would it change us? How much? Or would we stay the same?
 These were questions about which we wondered.
 Would life be much fun? Would it seem like a game?
 Or in life would we seem to have blundered?
 With both questions and answers our minds were filled.
 There were many things we wished to know.
 In our minds was knowledge, which strongly we willed
 To continue evermore to grow.
 Now we looked back on these four years gone by.
 We remembered all our plots and schemes.
 We looked up and saw visions in the sky.
 Those visions? Our eternal memories and dreams!
